Got Pets?

Merschmans Sales & Service has what you need

By Pam Goebel

Recently I was in Bagley, and remembered that Pearl needed dog food. (You may remember Pearl from her excellent grooming experience when I wrote about Off the Tracks Grooming.) Well, Pearl has a tender tummy, so finding the best dog food is challenging as we need to keep trying new ones that don't make her itchy. Pearl is a mutt, but we treat her like a princess.

I recalled seeing a sign for Merschman Sales & Service that looked like it carried pet food and decided to check it out.

This turned out to be a good stop, because not only do they carry a huge variety of pet foods, but owner Amber Merschman is a wealth of information! She helped me decide on a food that would meet Princess Pearl's requirements, and gave me information about the Tuffy's company that helped me feel confident in my decision about this dog food.

Tuffy's brand has been around since 1947 and in 2005 it started the Nutrisource line of dogfood. It is a Minnesota based company, out of Perham, Minnesota. Amber feels that buying locally sourced products is an important way to sustain our economy, and also knows that the quality is excellent and consistent. There are many varieties to choose from, so no matter your pet's needs, you will be sure to find the right food here.

The other feeds that they sell are also produced by a Minnesota company, Northland Feed and Seed in Park Rapids, which happens to be owned by Amber's parents.

Amber and Chester deep in conversation. Chester is the resident mascot at Merschman Sales & Service in Bagley. He is a talkative 23 year old Double Yellow Headed Amazon Parrot! Merschman Sales & Service sells a wide variety of pet food, supplies and more!

Amber and Ryan Merschman are owners of Merschman Sales & Service. They sell a complete line of pet foods and supplies at 32 Clearwater Ave. NW in Bagley.

The store carries a wide variety of pet supplies such as grooming needs, pet treats, collars, and more. How about that heated water dish before the snow flies? There is also a nice display of Georgia brand and Rocky brand work boots. If special requests are made they will try to accommodate those as well.

Amber is passionate about animal welfare and education about animals and is looking forward to expanding the business to exotic animals, with a focus on educational opportunities for kids. What child wouldn't love to see a sugar glider, or a Jackson Chameleon and learn more about them?

There is one exotic already in residence; Chester is a 23 year old Double Yellow Headed Amazon Parrot. He can be very talkative and is very beautiful!

Amber and Ryan Merschman own and operate Merschman Sales & Service in Bagley, MN. You may know the original business for Heating, Refrigeration and Air Conditioning, which they still operate as well.

The store in town has been open since April of this year. Previous to that, the store was 5 miles south of Bagley. Moving the store to town widened their customer base as well as making it easier access for all customers. You can find them at 32 Clearwater Ave. NW. Business hours are 8-5:30 pm Monday through Saturday, and the phone number is 694-6168. Find them on Facebook as well!

Many Activities Were Held for Pumpkin Day 2015

Tim Danielson from Fertile with his 1970 AMX.

Robin Ruckriegle of Gonvick is the owner of this 1964 Cadillac that was in the Gonvick Pumpkin Day Car Show.

Weighing in the pumpkins during the annual Gonvick Pumpkin Day activities.

Chris Eck, the announcer for the games and bicycle drawing for the Gonvick Pumpkin Day.

This car took home one of the $100 at the annual Gonvick Car Show held during Pumpkin Day. The owner is Mary Gustafson of Pine Lake with her 1959 Ford Fairlane.

Bob Prosser of Hallock was the top vote getter at the Gonvick Car Show that was held during Pumpkin Day.

Music was provided with straw bales to sit on as the games were played and pumpkins were weighed during the annual Gonvick Pumpkin Day, From left to right Sue Sims, Bud Sims, Randy Sims and Carolyn Rude.

National 4-H Week – October 4-10, 2015

If you are a current 4-Her you are One in a Million.

More than 6 million young people across the country today will be celebrating National 4-H Week, which takes place annually during the first full week of October. Clearwater County 4-H leverages National 4-H Week to celebrate the great things that the 4-H youth development program offers young people and highlights the incredible 4-H young people who each day work to make a positive impact on their community.

Research has proven that participation in 4-H has a significant positive impact on young people. Recent findings from the Tufts University 4-H Study of Positive Youth Development indicate that, when compared to their peers, young people in 4-H are:

- Nearly 4 times more likely to contribute to their communities,
- Two times more likely to pursue healthy behaviors, and
- Two times more likely to engage in Science, Technology, Engineering and Math (STEM) programs in and out-of-school time.

About 4-H

4-H, the largest youth development organization in the world, is a community of seven million young people across the globe learning, citizenship, and life skills. In the U.S., 4-H programs are implemented by the 109 land grant universities and the Cooperative Extension System through their 3,000 local Extension offices across the country. Overseas, 4-H programs operate throughout more than 50 countries.

Learn more about 4-H at www.4-H.org or you can go to the Clearwater County Extension page at http://www3.extension.umn.edu/county/clearwater

Highway 2/89 overpass project in Bemidji nears completion

Motorists traveling through the work zone are urged to use caution

BEMIDJI, Minn. – The Minnesota Department of Transportation urges motorists to use extra caution while driving through the Highway 2 and Highway 89 intersection near Bemidji as crews work through the final stages of the project.

"Weather permitting, the project should be complete by next week," said Project Engineer Troy Strassburg. "But over the next few days there will be a lot of activity in that work zone."

Project personnel are currently working to replace the concrete barrier wall with temporary construction barrels, but the existing layout of the detour will remain in place until project completion.

KGM Contractors Inc. is the contractor for the $4.8 million intersection reconstruction project, which began June 15.

The project will result in a safer intersection with improved turning lanes, intersection lighting, and an overpass for motorists on Highway 89 to access the eastbound lanes of Highway 2.

MnDOT urges motorists to always be attentive, drive with caution, slowdown in work zones and never enter a road blocked with barriers or cones.

For real-time traffic and travel information in Minnesota, visit www.511mn.org or get the free smartphone app at Google Play or the App Store.

Learn more about Minnesota's investment in and maintenance of the state's transportation system at MnDOT's Get Connected site www.dot.state.mn.us/getconnected/.

Hit and run suspect arrested

An arrest has been made in connection with the hit and run incident on Lower Rice Lake Road in southern Clearwater County. Elmer William Thompson, age 43, of Rice Lake was arrested without incident at approximately 3:30 p.m. on September 28th. He will appear in District Court and be arraigned on charges of criminal vehicular operation. The Clearwater County Sheriff's Office continues its investigation into this incident and has been assisted by the White Earth Police Department.

Material Recover Facility Operator – Polk County Incinerator

The Polk County Incinerator in Fosston, MN has an opening for a full-time **Material Recovery Facility Operator**. Primary duties include, but are not limited to removing select objects or materials from the waste and/or recycling stream; operates all processing equipment in the facility, such as baler, forklift and materials flow control. Moves, stacks and stores material bales on premises or loads trucks. Performs custodial work and duties essential to maintain production. Assists maintenance staff with maintenance or repairs, and other duties as assigned. Applicants must possess a high school diploma or equivalent and have three (3) years of experience operating forklift and/or other heavy equipment. A valid MN driver's license is required. Applicants must have the ability to clearly and effectively communicate verbally with the public and to work in adverse site conditions and extreme environments. A pre-employment physical exam is required. Wage range for this position is $13.53 - $17.21/hour, DOE and qualifications. Interested individuals may contact the Polk County Incinerator at 218-435-6501 or the Administrator's Office at 218-281-5408; online at http://www.co.polk.mn.us to view this job description and application. Applications for this position will be received until 4:30 p.m. on October 15th, 2015.

An Equal Opportunity Employer M28C

Administrative Assistant
Bagley, MN

Insure Forward has an opening for a part-time Administrative Assistant in Bagley, MN. This position will provide administrative support for the Bagley insurance agency. This position will serve as the first point of contact for clients and will be responsible for answering and directing incoming phone calls, assisting with on-site meetings, performing accounts payable functions and assisting with special projects as necessary.

Must be detail oriented, possess strong communication and customer service skills, and be able to perform in a team environment. Must be able to work independently and have a strong working knowledge of Microsoft Office Programs. Incumbent must be able to set priorities, meet deadlines and manage multiple projects at once. Previous customer service and/or administrative assistant experience preferred. MN Life and Health insurance licensing would be preferred.

Please send your resume to Bank Forward, Human Resources, PO Box 7070, Fargo, ND 58106 or email to human resources@bankforward.com.

Our company is widely respected for its commitment to employees and offers a comprehensive benefit package.

Application deadline is October 15, 2015.

Home at Heart Care

Home at Heart Care in Clearbrook is seeking an individual to fill a full-time HR position. The position responsibilities will include recruiting, hiring, benefits administration, and assisting with the training of caregivers. The applicant will need excellent communication, interpersonal, and computer skills. Pay will be based on education and experience. Application deadline is October 15th.

Please send a resume to:
Home at Heart Care
PO Box 183
Clearbrook, MN 56634
Or email:
Info@homeatheartcare.com R27-29C

EMPLOYMENT NOTICE
HEAVY EQUIPMENT OPERATOR

Clearwater County will be taking applications to fill Heavy Equipment Operator positions for an employment roster. Future positions will be filled as needed from the roster created by this interview and testing process. There is one full-time position open at this time.

The applications will be screened for the following minimum qualifications: Class A Commercial Driver's License, three years of experience operating heavy equipment including motor graders, tandem trucks, loaders, backhoes, and dozers, and high school graduate or GED.

Salary Range: $14.79 - $19.61/hr plus benefits

Applications are available at the Clearwater County Highway Department, 113 7th St. NE, Bagley, MN 56621, (218) 694-6132 or on our website at www.co.clearwater.mn.us. Applications must be received no later than November 6, 2015. R27-30C

Clearwater County is an Equal Opportunity Employer

Opening for Executive Director of Clearwater DAC, Inc. and Pine Ridge Residence, Inc.

Job Title:
Executive Director

Overview:
Clearwater DAC Activity Center provides specialized training to disabled individuals.

Pine Ridge Residence is a supervised living facility (ICF/DD) group home.

Responsibilities:
The Executive Director is responsible for the overall administrating of Clearwater DAC, Inc., a developmental achievement center, and Pine Ridge Residence, Inc., a group home. This person must possess the ability to interpret federal, state and local laws, ensuring that licensing requirements are met, prepare and administer budgets and reports for the board of directors.

This person is also responsible for supervising the implementation of individual program plans, integrating the various aspects of the Institution's program, recording individual progress, and initiating periodic review of each individual's program plan.

Qualifications:
1. QDDP/QIDP-Qualified Intellectual Disability Professional under Minnesota Law.
2. Bachelor or Master Degree in health science, behavioral science, human services education or social work.
3. At least one year experience working with developmentally disabled individuals.
4. At least one year experience in direct supervision and program management.

How to Apply:
Mail Cover Letter and Resume to:
Clearwater DAC/Pine Ridge Residence
Attn: Robin
PO Box 29
Bagley, MN 56621

Or

Email Cover Letter and Resume to: rbdac@gvtel.com R26-29C

AD DEADLINE
FRIDAY 4:30 pm

2015 Minnesota Renaissance Festival in Shakopee

Janice Nelson who dressed as a fairy godmother. Janice was nice enough to bring her two granddaughters and her granddaughters friends to see the marvelous Renaissance Festival.

Street dancers at the 2015 Minnesota Renaissance Festival. These girls are performing belly dancing as part of the themed weekend which was Discovering the Silk Road.

The Minnesota Renaissance Festival is an interactive outdoor event which focuses on recreating the look and feel of a fictional 16th Century fantasy kingdom. It began in September 1971 on its current site in Shakopee where it continues as one of the oldest and largest Renaissance Fairs in the United States. The festival features over 700 entertainers, 275 crafters, and 120 food booths.

One of the many elaborate themed stands. It is a fairy wing stand with handcrafted fairy wings.

Jazmyn Smith (The Green Fairy) showing off her new wings she bought at the festival.

A couple of the street performers showing off their juggling skills.

The lovely group picture taken at the 2015 Minnesota Renaissance Festival. From Left to Right: Teresa Knutson, Kati Knutson, Savannah Silvestre, Marion Silvestre, Autumn Smith, Bianca Rodriguez, and Jazmyn Smith. The girls are dressed as fairies with the exception of their knight in shinning armor Bianca. Their costumes match the theme of that weekend which was Discovering the Silk Road. Fairies and Belly Dancers alike were welcomed inside the Kings Gate Saturday, August 29, it was a very enchanting day with many entertaining performances and wonderful food.

Theology in the Trenches

By Kathleen Kjolhaug

Dear Daughter-in-Law

Dear Daughter-in-Law,

I was thinking that I should let you know what I am thinking. Now that you are married to our first born son, the one for whom I've prayed many a year for, you need to know a few things. First and foremost, you need to know that since I've been praying for him, it also means that I've been praying for you likewise. And as many a mom knows, we begin prayers for those future spouses when our babes are babes. I know your mama did the same, and for that I am most grateful.

Woman to woman, I want you to know that I will not try to come between you and your husband. Be assured that you will be able to run your house affairs without me meddling in that which only the two of you may fully understand. Each one has a calling and it's difficult enough to try to understand my own, much less somebody else's. And so, I will choose to trust that you know much better than I the direction your steps must take. I promise to not only honor and respect your decisions, but to reinforce them by building up that which you are called to in life.

I am so grateful for what you bring to the sacred table of your marriage. It blesses us all. I want you to know that the door to our home is always open. You may come and go as you please…but if you are busy taking care of the needs of your own home, we understand and will await our turn for time with you and your new husband.

What I want you to know most of all…is that if things seems awkward at times, it's because I am trying to read your heart in order to respect boundaries. Families are sacred and the division among them is great these days; help me to grow in understanding your needs in order that I may better support.

What a privilege it is to love another in this world, and we are so very grateful you have chosen to pour that love out upon our son. As you are the first daughter I've received through marriage, I want you to know just how truly blessed I feel to watch your heart grow as one with our son. In Matthew 19:5 it says that a man should leave his mother and father and cleave to his wife. I am touched to see this played out as I watch his heart beating as one with yours.

I was blessed to be raised by a mother who taught me how to equally love those who enter in through marriage. She treated each in-law equal to her own. That is a gift I did not know was imparted until the day you entered into marriage with our son. As we transition into this new phase of life, may our relationship be one which lifts up and sustains that which you are trying build within your own home. May I never be a stumbling block for you…but if I am…please tell me so I may ask your forgiveness.

With love,

To God be the glory … Amen.

Ask a Trooper

by Sgt. Neil Dickenson of the Minnesota State Patrol

Question: What is the rule about passing a parked emergency vehicle?

In this week's Matters of Record, six drivers were fined $50 for passing a parked emergency vehicle with two lanes in same direction. Perhaps we all need a reminder as to what the law is regarding passing or getting around a parked emergency vehicle. Thanks for addressing my question.

Answer: Great question. I have been a Trooper more than 17 years and my patrol car has been hit by other vehicles while at crash scenes a couple of times. Many of my law enforcement partners have also been struck as well. Almost all of these types of incidents are avoidable by slowing down and moving into the other lane of traffic in the same direction. If the other lane is occupied by other vehicles, please slow down and provide law enforcement room to work.

Minnesota State Statue 169.18S11 says that when traveling on a road with two or more lanes, drivers must keep over one full lane away from stopped emergency vehicles with flashing lights activated — ambulance, fire, law enforcement, maintenance and construction vehicles.

The law was created in memory of Corporal Ted Foss of the Minnesota State Patrol who lost his life 15 years ago. Corp. Foss was working a traffic stop on Interstate 90 when he was hit and killed by a passing vehicle on Aug. 31, 2000. The move over law applies to all of these types of vehicles, including tow trucks.

Law enforcement has been enforcing this law in an effort to educate and promote safety when approaching and passing a parked vehicle with flashing lights. . Fines can exceed $100. Motorists should also be encouraged to drive distracted free, pay attention to their surroundings, keep their vision down the road and slow down ahead of time for any hazard.

A portion of state statutes were used with permission from the Office of the Revisor of Statutes. If you have any questions concerning traffic related laws or issues in Minnesota, send your questions to Sgt. Neil Dickenson – Minnesota State Patrol at 1131 Mesaba Ave, Duluth, MN 55811. (You can follow me on Twitter @MSPPIO_NE or reach me at neil.dickenson@state.mn.us).

OBITUARIES

Services Wednesday for Beckett Gast

Beckett Gast, 6 months old, of Thief River Falls, MN passed away on Thursday, October 1, 2015.

Funeral service will be held on Wednesday, October 7, 2015 at 10:00 AM at Grace Lutheran Church in Grygla, MN with Reverend Vicki Saude-Worthington Officiating. Burial will be held at Greenwood Cemetery in Thief River Falls, MN.

Visitation will be held on Tuesday, October 6, 2015 from 5 – 8 PM with a 7:00 PM prayer service at Johnson Funeral Service in Thief River Falls, MN and also one hour prior to the service on Wednesday.

Beckett Warren Gast was born March 5, 2015 son of Nathan and Keesha (Ostby) Gast at Thief River Falls, MN. He was baptized at Grace Lutheran Church in Grygla.

Beckett had the biggest blue eyes and happiest smile. He loved playing with his big brother Nolan and watching him play all kinds of sports. He liked taking baths, going for walks and grabbing at the cat and dog. He especially loved rubbing on daddy's beard and rocking with mommy. Even though he was only with us a short time he touched many lives and was loved deeply by family and friends. His life was a brief gift to us and through the gift of organ donation Beckett has given life to others.

Beckett is survived by his parents Nathan and Keesha of Thief River Falls, MN big brother Nolan Gast of Thief River Falls, MN; grandparents Shannon and Denise Ostby of Grygla, MN, LaRae (Scott Pearson) Gast of Prior Lake, MN, Mike Gast of Grygla, MN; great-grandparents Orlin and Mandy Ostby of Gatzke, MN, Betty Ostby of Grygla, MN, Marie Konickson of Grygla, MN, Gerald and Carolyn Gunufson of Fertile, MN, Stella Gast of Ada, MN: along with many aunts, uncles, cousins and extended family.

He is preceded in death by great-grandfathers Warren Gast, Rodney Anderson, Wayne Konickson; great-uncles Harold Gast and Dayle Anderson.

CASKET BEARERS: Anthony Gast, Cory Ostby, Alex Anderson, Jason Woods, Cody Jablinske Angela Jackson.

Save Water, Save Money: It's that easy

Have you ever wondered what exactly you are doing with the water you are consuming? Some of the most important uses for water are used at home. This usage is referred to as domestic water use. Domestic water use is water used for indoor and outdoor household purposes— all the things you do at home: drinking, preparing food, bathing, washing clothes and dishes, brushing your teeth, watering the yard and garden, and even washing the dog. Water is a very important part of our everyday lives. But do you really understand how much you use?

The average American family of 4 consumes 300 gallons of water per day at home. As water is a vital necessity to life, we cannot eliminate use completely. However, we can make some simple, easy choices to conserve water that will reduce waste and consumption significantly. Water conservation at home not only helps reduce consumption but also will reduce your water bill and reduce water pollution.

Eartheasy.com offers some easy tips to reduce water consumption at home. Here are a few of them:

1. Check faucets and pipes for leaks

A small drip from a worn faucet washer can waste 20 gallons of water per day. Larger leaks can waste hundreds of gallons.

2. Check your toilets for leaks

Put a little food coloring in your toilet tank. If, without flushing, the color begins to appear in the bowl within 30 minutes, you have a leak that should be repaired immediately.

3. Install water-saving shower heads and low-flow faucet aerators

"Low-flow" means it uses less than 2.5 gallons per minute. Also, all household faucets should be fit with aerators. This single best home water conservation method is also the cheapest!

For new installations, consider buying "low flush" toilets, which use 1 to 2 gallons per flush instead of the usual 3 to 5 gallons.

4. Take shorter showers

One way to cut down on water use is to turn off the shower after soaping up, then turn it back on to rinse. A four-minute shower uses approximately 20 to 40 gallons of water.

5. Turn off the water after you wet your toothbrush

There is no need to keep the water running while brushing your teeth. Just wet your brush and fill a glass for mouth rinsing.

6. Use your dishwasher and clothes washer for only full loads

Automatic dishwashers and clothes washers should be fully loaded for optimum water conservation. Most makers of dishwashing soap recommend not pre-rinsing dishes which is a big water savings.

7. When washing dishes by hand, don't leave the water running for rinsing

If your have a double-basin, fill one with soapy water and one with rinse water. If you have a single-basin sink, gather washed dishes in a dish rack and rinse them with a spray device or a panful of hot water. Dual-swivel aerators are available to make this easier. If using a dishwasher, there is usually no need to pre-rinse the dishes.

8. Keep a bottle of drinking water in the fridge

Running tap water to cool it off for drinking water is wasteful. Store drinking water in the fridge in a safe drinking bottle

By following some of these simple tips to conserve water, you too can contribute to the overall health of our rivers and lakes. Make sure that you watch your water bill for reductions in cost and usage. Then celebrate your commitment by sharing your success story with others.

For the complete list of indoor and outdoor tips recommended to reduce the consumption of water inside and outside your home please visit www.eartheasy.com for more information.

If you are interested in learning more about how these changes affect the amount of water you consume daily, please visit https://www.swfwmd.state.fl.us/conservation/thepowerof10/. This site provides a daily water use calculator.

Lunch & Learn
How heart healthy are we?

Cardiovascular disease, including heart disease and stroke, is the leading cause of death in Minnesota. The Minnesota Department of Health estimates heart attack incidence (for 2009-2011) is 44 percent higher in Clearwater County than at the statewide level.

Join Sanford Bagley exercise physiologist Aaron McQuarter for an educational talk on heart health. Aaron will speak on a number of topics including ways to reduce your risk of a heart attack or stroke.

Thursday, Oct.15 • Noon – 1 p.m.
Sanford Bagley Education Room, 123 4th St. NW, Bagley
A light lunch will be provided.

RSVP by Monday, Oct.12 at (218) 694-6640.
