Coming next week ... ECFE Fundraiser & Elementary Basketball Night is another success in Grygla.

Lions hold Annual Membership Night

The evening began with a social hour and a delicious meal, served by The Hound Pub & Dining. A small program was led by Lon Englund, Grygla Lions President. Kami Anderson, Lions District Governor, provided members with information about the Lion's Club organization and how much impact the Lions have in our communities and across the country. Bryan Grove also spoke of the history of the Grygla Lion's Club, which began in 1971, and how it has affected our community over the years. As of this date, membership has remained strong with a current membership of 71. If anyone would like to join the local club, please contact a Lion's member.

New Lion members that were recognized that evening were Amy & Tim Loven of Gatzke, sponsored by Lon Englund; Kim & Tim Schulz of Grygla, sponsored by Leann Wikert. Also new members, but were not able to attend, were Stephanie & Zac Irlbeck of Grygla, along with Jane Manzey of Grygla, all sponsored by Leann Wikert.

The Lion's motto is WE SERVE - that couldn't be more accurate with all of the volunteer work these members do in our community throughout the year.

At the recent Lion's Annual Membership Night, the Lourens family was presented with a monetary donation from the Grygla Lion's Club, which was matched by the MN Lion's Childhood Cancer Foundation. The Lourens family are new community members to the Grygla area, and are going through cancer treatment for their son, who attends school in Grygla. Photos courtesy of Leann Wikert

Bear hunt lottery applications available

Prospective bear hunters have until Friday, May 5, to apply for a bear hunting license from the Minnesota Department of Natural Resources. Applications for the 2023 season can be submitted online, at any license agent or by telephone at 888-665-4236.

A total of 4,035 licenses are available in 14 permit areas for the season, which opens Friday, Sept. 1, and closes Sunday, Oct. 15.

The number of permits available each year in the quota zone is based on Minnesota's bear population, which has stabilized and started to increase during the past 10 years, in part because of recent conservative permit quotas. Populations in most bear permit areas are stable to increasing, and the total number of permits has increased by 430 from last season. The exceptions are in several permit areas in northern Minnesota, which will see permit reductions in efforts to stabilize populations in those areas.

Lottery winners will be

notified by Thursday, June 1. The deadline to purchase bear hunting licenses awarded by lottery is Tuesday, Aug. 1. Any remaining unpurchased licenses will be available over the counter starting at noon Friday, Aug. 4.

An unlimited number of bear licenses also will be sold over the counter for the no-quota area that includes east-central and far northwestern Minnesota. No-quota licenses are valid only in the no-quota area.

Hunters with either a quota or no-quota license who are interested in taking a problem bear should contact the area DNR wildlife manager (mndnr.gov/areas/wildlife) to be added to the hunter contact list for any opportunities that may arise.

Complete instructions about how to apply for a license, maps of permit areas and a listing of permit availability for each area are available on the DNR website (mndnr.gov/hunting/bear).

Johnson chosen as youth delegate

Pennington County 4-H is proud to announce that Emilea Johnson, Goodridge Junior, from the Kratka 4-H Club, has been selected as one of seven Minnesota 4-H youth delegates to attend the 2023 National 4-H Conference. She is the daughter of Brian and Tracy Johnson.

The selected delegates have already started meeting virtually to learn more about each other, the experience, 4-H, and their expectations during the conference. In the com-

ing weeks, they will receive their roundtable assignment. Roundtables are composed of 12-15 youth from across the US, US territories, and Canadian provinces, who work in partnership with a federal agency, department, or committee, to research, design, and present youth input on issues of importance to the agency. Their work is guided by a collegiate facilitator and NIFA staff. During the conference, they will primarily work in their roundtable group to develop their presentation and then will deliver it to the federal agency. Additionally, the delegates will visit with MN elected officials and share about their work at the conference as well as their 4-H experience. Additional activities include skill-building workshops, attending keynote speakers, networking events, a community service project, and site-seeing. This year's conference will be held April 14-19, 2023, in Washington, D.C. Photo courtesy of Thoele Photography

The Lion's Club held their Annual Membership Night recently at The Hound Pub & Dining in Grygla. Milestone Chevron Awards were given out to commemorate and recognize years of service for several individuals. Pictured, L-R: Jack Nelson, Ray Hendrickson, Lynn Anderson, Lori Thompson, Bryan Grove, Wayne Warne, Julie & Steve Sparby.

Also receiving Chevron Awards but did not attend are as follows: Orley Arneson, David Brateng, Greg Harris, Orvis Haugen, Julie (Klamar) Smith, Janelle & Randy McMillin, Gary Satre, Todd Stanley and Lee Sundberg.

New Lion members that were recognized that evening were Amy & Tim Loven of Gatzke, sponsored by Lon Englund; Kim & Tim Schulz of Grygla, sponsored by Leann Wikert. Also new members, but were not able to attend, were Stephanie & Zac Irlbeck of Grygla, along with Jane Manzey of Grygla, all sponsored by Leann Wikert.

Only in Minnesota: a weekly feature in the Eagle

Few people know Minnesota was home to the first indoor mall

Sure, plenty of folks have heard of the Mall of America, but fewer people know that one Minnesota shopping mall was the FIRST – and is the OLDEST – indoor mall in America. Southdale Center, in Edina, opened in 1956, and at the time, it was the first fully-enclosed, climate-controlled shopping center – i.e., mall – in the United States.

Southdale Center is a modern Minnesota shopping mall in the Twin Cities suburb of Edina. It has all the amenities you'd expect in a modern mall, such as anchor stores and a large multiplex movie theater.

More than 60 years ago, however, Southdale was nothing more than a glint in the eyes of eager suburban developers. On October 8, 1956, Southdale Center opened to much fanfare and retail fervor. The first indoor shopping center of its kind, more than 40,000 people showed up on opening day.

Dayton's, Minnesota's premier department store chain, played a major role in developing Southdale. When the mall opened, Dayton's, along with Donaldson's and a Red Owl supermarket, was

one of the mall's first anchor stores. Today, Dayton's is best known for establishing Target stores, the first of which it opened in Roseville in 1962. The Target division eventually grew so big that it absorbed Dayton's, and after buying Marshall Field's, rebranded both chains under the Marshall Field's name. A few years later, Target sold its Marshall Field's unit to Macy's. Macy's is still a Southdale anchor store in the old Dayton's location.

When it opened, Southdale Center had 800,000 square feet over three levels. After several expansions and updates, today the mall contains almost 1.3 million square feet of leasable space.

The original mall included dining options for its customers, like the Sidewalk Cafe, set up in Southdale's atrium. During its heyday, Southdale leaned hard into the food court concept. Now, Southdale offers many sit-down dining options with their own exterior entrances. Rather than feeding shoppers, today, restaurants and entertainment are the draw, and retailers hope diners will want to shop after eating.

Of Minnesota's many firsts, the indoor shopping mall has had one of the greatest impacts on American society.

• SIMPLY DELICIOUS

By Kari Sundberg, Eagle Editor

That word of the week up there instantly made me thirsty. Let's keep it simple this week and just all stay hydrated, ok? Sidenote: Who would ever do a full day's travel across a desert without stopping for water? Seriously.

Drinking water is obviously a very important part of our life for a healthy body and a glowing complexion, amongst other things. But sometimes we forget to drink lots of water in a day. Or if you're like me, you get bored with plain ol' water. I love to do fruit infusions in my water, especially because I love flavored waters.

Adding some of these ingredients (like cucumber, lemon, ginger, or any kind of fruits) to your water not only gives it a fresh taste, but it also can cleanse and detoxify your system, not to mention give you extra vitamins and minerals.

Easy fruit-infused water

recipes to start with that taste SIMPLY DELICIOUS:

Cucumber Lemon Mint, Cucumber Watermelon Mint, Pomegranate Mint, Blueberry Orange, Pineapple Orange, Kiwi Blackberry, Ginger and Lime, Strawberry Basil, Raspberry Vanilla Bean. Obviously there are a million more, but these are some of my favorites. Give them a try and play around with different flavors!

Northern Blast volleyball hits the road

Northern Blast Volleyball has begun with some Charger athletes taking part! This is not affiliated with either school, but rather part of a spring JO organization. The two teams traveled to Breckenridge last weekend. 18U took 2nd in Silver Division, above. 16U got 3rd in Gold Division, below left. The 16U also placed 3rd in a volleyball tournament in Oklee on Saturday, March 25th, below right. Photos courtesy of Tausha Severts, Amber Sundberg & Deanna Coan

Upcoming LYO events

High School Release Day
Students in grades 7-12 from the Goodridge and Grygla School Districts (and 6th grade in Grygla) are invited to attend a High School Release Day on Wednesday, April 12th. The speaker is Tim Eggebraaten, from Detroit Lakes. Tim is an expert at "working the beat." He's been a correctional officer, police officer and has held many positions along the way, including Chief of Police. His title of "Off Duty Chief" allows him to take his experiences, message, music and talent to the streets.

For this special High School Release Day, students will travel from Grygla to Goodridge to hear the inspirational speaker in the morning and travel to Falls Cinema (in Thief River Falls) in the afternoon to watch the movie Jesus Revolution.

Pizza, popcorn, and a soft drink will be provided to the students all free of charge. The school districts are sending out permission slips in the coming

weeks, so a total head count can be taken. If you have any questions, please contact Ruth Anderson. Students will be back at their schools by the end of the school day.

Rescue Mission
LYO students in grades 6-12 will be making a visitation to Northlands Rescue Mission on Saturday, April 22nd. There's a sign up sheet in the school office. The director will be talking to the students about the services they provide to the people staying there and how they work with them to get them back to independent living again. Students will be helping serve the noon meal. Following the visitation, the group will stop at Northern Air for a couple of hours of fun on the trampolines and lazer tag. Please sign up in the office if you are interested in going. The group will take a bus if there are enough students interested in going. Any questions, call or message Ruth.

Grace LYO recently went skating on the Riverbend Skate Path in Warroad. The LYO crew will be serving an Easter Brunch this Sunday after the 9am Worship at Grace. Photo courtesy of Ruth Anderson

Basketball night at Goodridge School

1st Annual Goodridge-Grygla Seniors vs. Parents Basketball Night on Friday, April 14th, at the Goodridge School. The entire night is filled with fun, but the Seniors vs. Parents will be the main event taking the court at 7pm.

Goodridge-Grygla 4th-6th grade Elementary will play basketball throughout the evening, beginning at 4:15pm. Schedule below.

Concessions will be available (pulled pork meal), silent auction and 50/50. There will be a 3-point contest (\$1/entry) in the small gym, along with a free throw contest, and different grade level "lightening"

contests (5:45pm is 4th-6th grade with 6:30pm being 1st-3rd grade).

Chargers Spring Trap

One more practice week is on the schedule, then it's the official Charger's Spring Trap season – with or without all this white stuff on the ground. The group shoots every Sunday at the TRF Trap Club over the next couple of months. Grygla has 14 students: Connor Boutain, Matthew Brown, Payton Dougherty, Caydun Dybedahl, Mollie Lunsetter, Raymond Moe, Chelsie Nelson, Jens Oslund, Brett Rychlock, Brody Saurdiff, Rease Stratton, and Shelby Williams. They are coached by Kenny Lunsetter.

Community Education

Community Education Pottery is going well. The next class will be in the fall. If you're interested, get a group of 4 or 5 friends together and a schedule can be made to fit your needs. Contact Betsy Saurdiff for more information as she instructs the class.
