Minnesota Sings

The 2023 Minnesota Sings - a competition between cities throughout Minnesota designed for amateur vocalists - announces it now has 11 cities signed up to compete in the 10th Annual Minnesota Sings which will take place on Saturday October 7th and Sunday October 8th at the historic Fairmont Opera House. The total prize package is \$30,000! Cities that want to participate have to put on a local "Sings" event to determine who will represent them at Minnesota Sings. For more information, go to www.minnesotasings.com

Cities interested should contact Chuck Spavin at 651-315-8444 or chuckspavin@icloud.com. The statewide event is sponsored by RBC Wealth Management, Electro-Voice Microphones, Gator Cases and Stands, Mackie Mixers, Mogami Cables, Quik Stage and The Garage Recording Studio. Most cities do their local "Sings" event as part of their cities Summer Festival. The event features two divisions: 13 to 20 year olds and 21 and older. The competitors sing to a backing track that cannot exceed five minutes and has to be memorized and the words have to be family friendly. The 11 cities who have paid the \$150 participation cost so far are: Bemidji, Blue Earth, Cold Spring, Cromwell, Elk River, Hastings, Plymouth, Wabasha-Kellogg, St. Cloud, Waseca County and West St. Paul. If your city is interested, contact Chuck at 651-315-8444.

Summer Steps Dance Camp was advertised without the greatest response. Krista Bernstein, the instructor, would like to change the times to see if that better suits parents' schedules to get their kids there. Please see the updated times below.

There will be a dance camp held at the Grygla School the week of June 12-16, 2023. A recital will be held at the end of the week on Friday, June 16th, at 7pm, in the Grygla School Old Gym.

Cost for the 5-day camp is \$50. The recital costume is an additional \$50, but Community Ed has generously offered to contribute \$50 per student, which means students will only have to pay a flat fee of \$50. Registration and payment are due to Krista by May 26th.

Classes will meet on the stage in the Grygla School Old Gym Monday-Friday that week for one hour, with the exception of preschool, who will only meet for 30 minutes.

Practice times will be Preschool (must be age 4): 5-5:30pm; Kindergarten-2nd grade: 6-7pm; 3rd grade-6th grade: 7:30-8:30pm.

Krista Bernstein (Choir Director at RLCC) will be the instructor. Registration can be found on Facebook under Krista Bernstein Performing Arts. She can be reached at 218-796-5136 with any questions. Foster Parents needed for kids

May is National Foster Care Month: Children's Home Society and Lutheran Social Service of Minnesota are affiliated organizations seeking foster parents to partner with them in caring for children and youth in need. If you are interested in making a direct difference in children's lives, consider becoming a foster parent.

During 2022, an estimated 11,200 children and youth experienced out-of-home care, according to the most recent information available through the Minnesota Department of

Human Services.

Children's Home and Lutheran Social Service provide a range of services based on the unique needs of each child in foster care to ensure that all children have individualized supports they need to build healthy relationships and flourish in the community. Comprehensive training for foster parents also promotes high quality care and ensures they have the support needed to be successful in creating a safe and stable environment where children thrive. In addition, trained pro-

fessionals are available to offer support to foster parents 24/7.

Families and individuals who provide foster care can have different household structures and come from diverse backgrounds. The two organizations are seeking foster parents who are willing to listen, provide support and help children create healthy relationships in their families and communities. Flexibility, patience and a healthy sense of humor are also ideal characteristics for foster parents.

Currently, there is a great

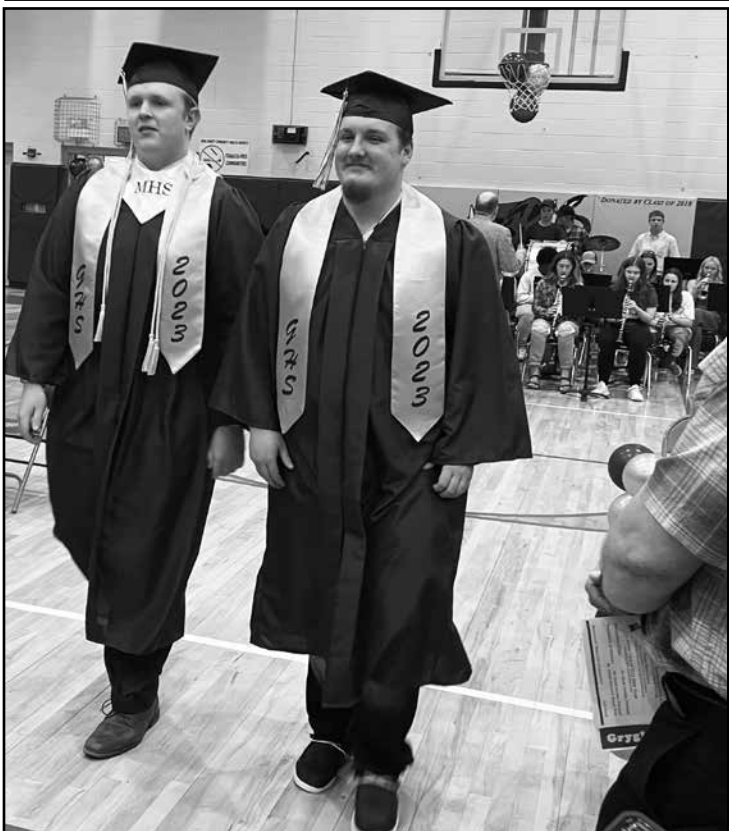

need for families able and willing to provide short-term respite care, foster sibling groups, school-aged children, and older youth; and who are supportive and affirming of youth who identify as LGBTQ-IA2S+. BIPOC families are also needed to support children and youth of color.

Becoming a foster parent offers hope to children by providing a secure environment where children can thrive. To learn more, visit fostermnnesota.org.
