Greg and Shaunna Olson are pictured with their family at the benefit that was held in Grygla last Saturday.

The love and support could be felt

By Kari Sundberg, Eagle Editor

"The love and support could be felt on Saturday," commented Shaunna Olson, wife of Greg Olson, who is currently in the fight against cancer.

A benefit was held last Saturday at the Grygla School for Greg who is undergoing treatment for Squamous Cell Carcinoma. At the event, taco-in-a-bag was served, along with a 50/50 drawing, a bake sale, meat raffles, a silent auction, and a cornhole tournament. The turnout was fantastic, and the Olson family felt the love. Shaunna stated, "Words can't express the gratitude we have for the outpouring support that we have received during this time. We are so blessed and fortunate to live in such a great community and be surrounded by such caring family and friends."

The benefit was made possible by so many people. The Olsons wanted to give special recognition to Tausha Severts and Brenna Bakken for organizing and leading the benefit. Also, to all the individuals and businesses in the community and surrounding communities who donated to the benefit and worked to make it happen. Shaunna said the support and words of encouragement are just so greatly appreciated.

Greg added, "It was just the boost needed to get through the last part of treatment."

Greg is over halfway done with treatments at the Mayo Clinic which include daily radiation treatments Monday through Friday, and weekly chemotherapy treatments. He is in a trial study at the Mayo; his blood was taken last Friday at radiation (treatment number twenty) and he will find out this week if he will be able to discontinue treatment early. If he is able to, he could be done by the end of the month or otherwise it will be December 8th.

Greg and Shauna will be staying in Rochester for the remainder of his treatment at the Hope Lodge. Once Greg completes his treatment he will continue to receive follow-up care from Mayo every three months for the first two years and then once a year for the following three years. Regarding the treatment being done so far away, Shaunna said the drive to Rochester is long, yes, but so worth it. The care Greg has received there is exceptional, she pointed out. Greg is so grateful and thankful for everyone's gracious and generous support. He said he has the best support group that a person could ask for.

The amount of people that helped work the benefit, the amount that attended, the amount of silent auction items that lined the hallways, well, it was incredible, to say the least! Photos by Grygla Eagle Newspaper

"How do you cook a Turkey?"

Name: Matthew Haack

School: Grygla

Teacher: Mr. Monson

Favorite Subject: Science

First you skip the turkey and put the deer meat in the oven. Next you set the timer for five minutes. Then you wait. Then you eat it.

Mr. Monson's Grygla Second Graders did a "How to Cook a Turkey" paper. Let's see how many out there will take the advice of Matthew Haack? Happy Thanksgiving, whether you choose to cook a turkey OR that deer meat!

The European Christmas market in Minnesota that's straight out of a Hallmark Christmas movie

Here in Minnesota, there are many ways to enjoy the holiday season. Christmas light shows are popular, as are parades, tree-lighting ceremonies, and Santa visits. But that only scratches the surface of all the festive activities available in our state! One of our favorites is a charming Christ-kindlsmarkt or Christmas market in St. Paul, that is so perfectly quaint that it looks like something out of a movie. If that sounds fun to you, read on below to learn about the Eu-

ropean Christmas Market in Minnesota. The European Christmas Market is a tradition that takes place in St. Paul, Minnesota, every holiday season. It's held downtown at Union Depot, and it looks like something straight out of a Hallmark movie. This year, the market will be held every weekend - Friday, Saturday, and Sunday - from November 24 through December 17. Friday hours are 4 p.m. - 9 p.m., Saturday hours are 10 a.m. - 8 p.m., and Sunday hours are 11 a.m. - 6 p.m., so be sure to plan accordingly for this festive event. The market is just like one

you'll find in a European city. There are many vendors who sell a multitude of different items, some of them imported from Europe. This is a great opportunity to find interesting Christmas decor! It's also a great time to do some gift shopping. Beautiful toys, crafts, clothing items, and more are found at this market. You'll love browsing through the festive booths to find the perfect item! Aside from decor and gifts, you'll also find plenty of food vendors here. Everything from crepes to gyros to spätzle await! There's also plenty of entertainment, from live musicians

to dancers to reindeer! You'll even have a chance to meet Santa Claus. This Christmas market has something to offer for people of all ages. It's a fun, festive way to celebrate the holidays. You'll love the quaint, festive feel of the European Christmas Market! For more information about this festive Christmas market, including parking, entertainment times, vendors, and more, visit the European Christmas Market website or follow the European Christmas Market Facebook page.

Chocolate Chip Bars

These are the easiest, gooiest, softest bars ever that are done in NO TIME. And I know this because twice this week my daughter hit me with the last minute, "Mom, I need you to make bars to bring for this event." She didn't leave me enough time to plan and shop, but luckily most of us have these ingredients in the cupboard already. Ingredients 1 box yellow cake mix 2 eggs, beaten 1 bag chocolate chips 1/3 cup vegetable oil Preheat the oven to 350 degrees. Beat eggs in a bowl. Add cake mix and oil, mix with a mixer - will be a thick mixture.

Spread in a greased cake pan. Bake for about 20 minutes, maybe a couple minutes longer if the toothpick test fails.

Minnesota is south of somewhere! Snowy Owls will be arriving in Minnesota over the next few weeks. During the summer, they nest in the arctic tundra of northern Canada and Alaska. From early November to late March, some migrate south to Minnesota to hunt voles, mice, and other small animals. They usually spend their winter in northern Minnesota. Look for them in large, open areas like fields and airports!

Grygla High School Play

A Murder in the House of Horrors hit the stage in Grygla last week, performed by the Grygla Drama Department and directed by Mrs. Tina Taus, who said the kids did an amazing job! "This play involved the audience and demanded a big piece of improvisation. The kids were all in and made the magic happen! It's a pleasure to watch them grow," Taus said. Light Up The Museum

Submitted by Britt Dahl, Roseau County Historical Society & Museum

The Roseau County Historical Society & Museum is busy preparing for the 2023 Indoor Tree Walk, opening on the evening of November 28. The event has been rebranded this year and will now be referred to as Light Up The Museum, a tree decorating contest and tour.

The contest is for anyone and everyone to bring their creative styles and decorate a tree at the museum. In the past, most trees were decorated by organizations, groups, businesses, etc., from throughout the county. We still want them to participate, but we also want to make people aware that individuals, friends, family...everyone is invited to decorate a tree. This has always been an option, but we felt it got lost through the years. We have seen traditional decorations with snowflakes, candy canes, angels, and antique ornaments. We have also seen model airplanes, toys, homemade décor, hockey sticks, shotgun shells, books, and more. How would your tree be decorated, traditional or outside the box? We would love to see it!

Here is your chance to contribute your imagination and decorate a tree to be viewed by all who visit the museum over the holidays. Again, we invite people of all ages, groups, organizations, businesses, daycares, etc., to decorate a tree at the museum. Decoration can be handmade, bought, recycled, you name it. They can tell a story or be contemporary or outside the norm. The museum has several artificial trees of various sizes and lights available on a first-come basis. Or, bring your own artificial tree

and lights. Registration for Light Up The Museum is open until November 24; the trees must be decorated by November 27.

The opening night, November 28, will coincide with a program and catered meal. The free program "Heart Strings & Aprons Strings" is filled with humor, songs, and heartwarming stories with speaker Pati Kachel.

The catered meal will be chicken breast with a parmesan bacon cream sauce, potato, veggie, roll, and cheesecake. There is a suggested donation per plate, and reservations are strongly suggested as plates will be limited. Serving starts at 5pm, followed by the program at 6pm.

The museum will open that evening for visitors to view the trees from 5-8pm. Visitors are encouraged to vote for their favorites by placing a monetary donation in boxes by the trees. Voting will continue through December 22. The top three voted trees will win a cash prize. All proceeds from the boxes will benefit the Roseau County Historical Society's mission to collect, preserve, and share the county's history.

Don't hesitate to contact us if you have any questions or want to register. You can reach the Roseau County Historical Society at 218-463-1918 or rchroseau@gmail.com. Please find more information on our website or Facebook page.

This annual event takes place at the Roseau County Museum located in the Roseau City Center. The museum is open regularly, Monday through Friday, 9:30 - 5:00 pm. Special holiday hours will be Saturdays, 10:00 - 2:00pm, starting December 2 - 16.

"Excellent day competing in the first 2023-2024 drone competition hosted by National Center for Autonomous Technologies in Thief River Falls. There were 11 teams total at this event. After a fun filled round of teamwork matches, 4149F was ranked 3rd and 4149D ranked 6th. The 2 teams then paired up to compete in the elimination rounds but lost out in the Semifinals. During skills, 4149F finished with a score of 160 placing 6th and 4149D finished with a score of 180 placing 5th. During the awards ceremony, 4149D received the Flight Operations Award. This award is presented to a team with an organized, systematic, and professional approach to planning and strategizing, project and time management, and team organization. Our next drone tournament is December 7th hosted by us here in Grygla. We will share more information in the next couple weeks." *Photos courtesy of the Drone FB page*
