## Veterans honored at program November 10

The Clearbrook Legion and Auxiliary and staff at the Clearbrook-Gonvick School put on a great Veterans Day program. There were many veterans who had served in the military service from various Wars including World War II, Korean War, Vietnam War and conflicts from that point on. Also most everyone in the packed gym had a family member or someone they knew who has served in the military.

All of the Clearbrook-Gonvick School faculty and students were in attendance.

The presentation of the flag was done by members of the Clearbrook American Legion Post #256.

The Pledge of Allegiance was said with students and crowd saying it so that every word was as clear as a bell.

The National Anthem was played by the Clearbrook-Gonvick Band with Joe Vene and the crowd singing along. Vene made it a memorable rendition with his booming voice.

## Clearwater County Nursing Service Celebrates Home Care and Hospice Month

During November the home care and hospice community honor the nurses, home care aides and therapists who make a remarkable difference for the patients and families they serve.

These heroic caregivers play a central role in our health care system and in homes across the nation. To recognize their efforts, we call upon all Americans to commemorate the power of caring, both at the home and in their local communities and join with Clearwater County Nursing Service and the National Association for Home Care & Hospice (NAHC) by celebrating November as Home Care and Hospice Month.

With 10,000 Americans turning 65 every day, the need for health care will continue to rise, and costs will continue to skyrocket. This is where home care comes in. As the preferred choice for most patients, it also offers the greatest cost savings.

For example, Medicare pays nearly \$2,000 per day for a typical hospital stay and \$450 per day for a typical nursing home stay. Meanwhile, home care costs less than \$100 a day and helps many U.S. seniors remain independent at home, enrich their lives, and keep in touch with those they love.

Patients may choose to receive services from whichever

**Thoughts from the Sheriff**  
Clearwater County Sheriff Darin Halverson

R31-37C

The winter season seems to have arrived early this year and the warm days of summer are in the rear view mirror. Now is the time to prepare ourselves for winter weather and the threat for severe winter storms. With the passing of summer, the threat of severe thunderstorm or tornado activity is put on hold until next year. That, however, does not stop us from planning ahead to be sure the citizens of Clearwater County are protected by timely notices in the case of severe weather or other major incidents.

For the past couple of years, Clearwater County has used a mass notification system called CodeRED. A mass notification system is necessary to alert the population of Clearwater County in the event of not only severe weather, but also missing children, natural disasters, evacuations or other vital information that could prevent injury or death. This notification needs to occur in a timely fashion so that is why a mass notification system is vital to the safety of everyone.

In an effort to improve on our notification system, Clearwater County has decided to switch vendors. CodeRED will now be replaced with Everbridge. We are calling the new notification system, Clearwater County Alerts. The switch will occur officially on January 1, 2018, but we are working to implement it sooner. Soon, you will be receiving a call through the CodeRED system alerting you of the switch and how to register for Clearwater County Alerts.

With this switch, citizens will be able to register their phone numbers and automatically be alerted to severe weather through the National Weather Service (NWS). In the event of severe storms, our dispatchers will no longer have to manually send out a call. The Clearwater County Alert system will be notified through the NWS of any severe weather statement and if you are registered in the system, you will be notified immediately.

**Mon., Nov. 20 - Creamy Vegetable Soup**, Turkey Sandwich, Fruit Cup, Crackers, Cookie and Milk.

**Tues., Nov. 21** Liver or Pepper Steak, Butter Boiled Potatoes, Carrots, Bread, Fruit Crisp and Milk

**Wed., Nov. 22 - Meatballs**, Mashed Potatoes, Country Blend Veg. Ice Cream and Milk.

Meals are served daily at 11:30 at the Clearbrook site except for evening meals served at 5 p.m. They are subject to change. Please register for meals at least the day before. Call 776-3154 to sign up.

tered in the system, you will be notified immediately.

Some citizens do not want to be bothered with calls involving severe weather. You will not receive these calls if you do not register your phone number. If you want these alerts, then you can go to the Clearwater County webpage at [www.co.clearwater.mn.us](http://www.co.clearwater.mn.us) and click on the link on the right hand side that states, "Click here to register for Emergency Alerts".

Once you have clicked on the link, you will find a link that states, "Click here to enroll or edit your alerting preferences". After clicking this link, you will be asked to sign up for an account. It will ask you to come up with a user name and password. Then you will enter your phone numbers where you would like to receive phone calls and text messages (SMS). Next, it will ask you to enter a location. You can name the location whatever you want and then it will have you list the physical address of the location. The system will then verify the address in the system. You can add multiple locations in the system if you wish such as your home, cabin or other place in the county where you may frequent. The last step is you can decide what notifications you want to receive and which you do not. You can opt out of receiving any alerts if you choose or you can choose from four different severe weather statements that you want to receive; severe thunderstorm watch, severe thunderstorm warning, tornado watch and tornado warning. Be assured, the information you enter here is not shared with anyone. It is used strictly for alerts in Clearwater County.

If you decide that you do not want to create an account, your home landline phone is already in the system. You would still receive any mass notification when we would determine it was in the best interest of all the public to be alerted, such as a tornado warning or evacuation notice.

If you receive a call from the Clearwater County Alert System, the call will show 218-694-1123 on your caller ID. We hope that this will be a little less confusing than showing up as a toll-free number.

We do not want to force people to register for the Clearwater County Alert system, but we highly encourage it. If you had registered in the CodeRED system previously, your cell phone numbers did not transfer to the new system. You have to re-register. We apologize for any inconvenience this may cause and stand ready to assist citizens in registering. If you want to be a part of this system, you can call 218-694-1123 and leave a message and someone will contact you to help get you registered.

The Clearwater County Sheriff's Office is committed to keeping its citizens safe and informed. We hope that this switch will help us continue that endeavor. A press release will also be coming out shortly announcing this change as well as the phone call mentioned earlier in this article. Please do not hesitate to contact our office if you have any questions or concerns regarding this change.

If you have questions that you would like answered or any suggestions, please email me at [darin.halverson@co.clearwater.mn.us](mailto:darin.halverson@co.clearwater.mn.us) or call the Sheriff's Office at 218-694-6226. You can also find us on Facebook by searching for Clearwater County Sheriff's Office.

Thank you and as always, I am honored to serve as your Clearwater County Sheriff.

Today, I would like to take a moment to thank all of our veterans, active military, and their families as we get set to celebrate Veterans Day this weekend.

As a veteran myself, I understand the sacrifice brave men and women make in service to our nation, protecting our freedoms and liberties at home and around the world. Our military has been the greatest force for good the world has ever seen, we have our veterans to thank

for that.

So if you are a veteran, thank you for your service. We are the land of the free because of your bravery and sacrifices.

Many local businesses and services are offering discounts this weekend for current members of the military and veterans. A partial list of a few of those businesses offering discounts can be seen here.

Happy Veterans Day! Matt

## Boat capsized on Lower Red Lake

The Red Lake Police Department is searching for two fishermen who went missing after their boat capsized.

The incident happened Monday, November 6. Police received a report that a boat had turned over near an area known as "the cut-off" on the eastern side of Lower Red Lake.

It was also reported that the boat contained three occupants and one of the fishermen swam to shore and was rescued by

some people passing by and the other two are still reported to be missing. The rescued fisherman was transferred to the Red Lake Indian Health Service hospital and was being treated for hypothermia.

One of the two boaters was identified as 29-year-old Deland Beaulieu. The other is described as a 17-year-old boy. Dominick Johnson, 32, swam to shore and was taken to Indian Health Services to be treated

for hypothermia.

It was not immediately clear why the boat capsized.

Volunteers were being sought to assist with searching the shoreline near where the boat capsized.

The Red Lake Department of Public Safety announced that they would halt water searches, as the lake had begun to freeze.

The Leech Lake Tribal Police Department, the U.S. Border Patrol, the FBI, the Beltrami County Sheriff's Office, the Bemidji Fire Department and the Leech Lake Conservation Enforcement Department all assisted with the search..

### Eric Reinbold arrested in Kansas

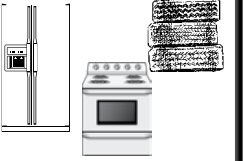

Eric Reinbold from the Oklee area, who was free on bail is awaiting extradition after being taken into custody on a warrant in Kansas.

Pennington County Sheriff Ray Kuznia says the warrant was issued for the arrest of 41 year old Reinbold who was ordered not to leave the state after posting \$15,000 bail following a court hearing last week. He was charged with a Probation Violation after the discovery of alleged pipe bombs on jointly owned property in Red Lake County.

Sheriff Kuznia said Tuesday evening the case remains under investigation and he "doesn't know what was going through Reinbold's mind" when he apparently fled the state. Kuznia also said; "for the safety of the public," he is happy Reinbold is in custody.
