Leader-Record

$1.00

CONTINUING THE GONVICK RECORD AND CLEARBROOK LEADER

Serving the Communities of Clearbrook, Gonvick, Gully, Leonard and Trail

Owners of the new rental storage unit in Gonvick are Lee and Jen Forsberg. They are pictured with two of their four children Matthew and Elizabeth.

New rental units being built in Gonvick

New rental storage units are being built near Highway 92 in Gonvick and Lee and Jen Forsberg are the owner/operators of the project.

There will be 30 rental units available of which 8 will be 5x10 feet, 18 will be 10x20 feet and four will be 10x10 feet and four will be 10x20 feet which will be enough for cars.

The building is being constructed by Paul Ehlers and his crew. It should be completed and ready for business in early February.

For more information you can contact Lee at (218)431-1123 or email jenforsberg@hotmail.com

Paul Ehlers and his crew are the builders for the rental unit project in Gonvick.

Clearbrook-Gonvick board holds organizational meeting

The Clearbrook-Gonvick school board held their first meeting of the year. The first on the agenda was the reorganization of the board. They held the election of officers and made motions to have the same officers as last year. They are Jeff Westrum as Chair, Tracy Imle as Clerk and Jim Galloway as Treasurer.

They set the board salaries the same. Board Officers $65.00 per regular meeting, Board Members $60 per regular meeting, Negotiations $45.00 per meeting and $40.00 per committee meetings.

The official meeting dates will be the third Monday of each month except in January and February. Official depositories are the First State Bank of Clearbrook and the Northern State Bank of Gonvick. Official publication are the Leader-Record of Gonvick and Farmer's Independent of Bagley. Official signatures are Jeff Westrum as Board Chair, James Galloway as Treasurer, Wayne Olson as Superintendent, Paula Boomgaarden as Business Manager and Jenetta Mathson as Human Resources Manager. Knutson, Flynn and Deans was retained as the school attorney. Official mileage rate is the current IRS mileage rates. Wayne was authorized as the Local Education Authority (LEA) representative. Tom Stenzel was designated as the Minnesota High School League representative. Committee Assignments were the same as last year.

Principals Report

Principal Jeff Burgess informed the board that the class members have shifted in the elementary. They are having a leadership team analyze during the next school year for possible options. Shifting any staff would be difficult this point in the year.

Events coming up include conferences for February 15 and 16. A formal dance will be held on Saturday, February 10. They have been doing NWEA testing in K to second grade classes.

With Staffing they have Para interviews coming up. The American Indian positions are still open. They are looking at shifting to cover what can be done.

Superintendents Report

Superintendent Wayne Olson informed the board that new teacher licensure program has been extended for a year.

Senator Utke presented awards for the students artwork to be displayed at the State Capitol.

Seniors are planning a day trip to Duluth going in the morning and coming back at night.

Olson presented representatives from ICS Consulting. Dave Bergeron and Jason Splett were there from their company in Blaine. ICS Consulting provides customized consulting services, with a focus on strategic facilities planning, construction representation, technical services and facilities tax solutions, to both public and private sector clients. ICS presented a drawing showing the addition of three elementary classroom. Their estimated cost for that would be a little over one million. Voluntary pre-kindergarten was established by Governor Dayton and the 2016 Minnesota Legislature for the purpose of preparing children for success as they enter kindergarten the following year. The funding allows districts, charter schools with recognized early learning programs to incorporate a voluntary pre-K program. Rooms would be needed if the district were to go in that direction. The building is 15 years old and the district has to start putting money away for improvements and what needs to be done. They don't want to go into SOD again. (Statutory Operating Debt).

Junior-Senior prom

Two representatives of the Junior class Anna-Lise Seyller-Phillips and Jazmyn Smith informed the board about the prom. It is set for April 21. They are planning to have the Grand March at the school and then taking a bus to the Bemidji Country Club for their dinner. Before that they are stopping at Paul Bunyan for pictures. The bus will take them back to the school for the After Prom Party.

Extra classes

Three staff members are taking extra classes to be able to teach College in the Classroom. Those three are Michelle DeVries, John Lavin and Sarah Goudge.

Consent Calendar

Bills, electronic transfers, other banking transactions and treasurer's report were approved. Some bills included: Stein's bus Service LLC $70,486.19; Blue Cross and Blue Shield of MN $20,437.52; Clearwater-Polk Electric $8,082.49; Community Oil Co. $7,313.41; Marco $6,391.65; City of Clearbrook $2,963.94; Anderson Disposal $1,809.70; Garden Valley Telephone Co. $1,779.97; Amy Mulry $1,400.00; 2 Loons Letters and Threads $1,568.00.

New business

The board approved the hiring of Marilyn Johnson as an Elementary teacher for the remainder of the 2017-2018 school year.

They passed a resolution for administration to make recommendations for reduction of programs and staff. This has to be done each year in January.

They approved lane changes for Laura Dahl to MA plus 10 and Kendell Nordlund at BA plus 10.

The meeting was closed for employee health concern.

Linda Brown is the new art teacher

Clearbrook-Gonvick High school has a new art teacher. She started last fall and she answered a questionnaire. Following are her responses to the questions.

Family. She has a dog called Sassi and a cat called Pusswha. She also has three sisters, two live in Bemidji and one in Minneapolis. She has 5 nieces and nephews and 5 great nieces and nephews.

Education: Bemidji State University, Bachelor of Fine Arts with K-12 Art Education licensure. University of North Dakota - Master of Fine Arts at Grand Forks, ND. Institute for Doctoral Studies in Visual study, Master of Philosophy, Art, Aesthetics from Portland, Maine.

Personal interests: Traveling, writing, making art of all types, wood working, interior design, reading about regional, national and world affairs. Listening to music and singing (badly) along. Going to art galleries and museums. Playing with my dog and cat, crocheting and sewing. I have to visit Connecticut, Delaware, Maryland and DC and will then have fulfilled a lifelong goal of being and spending time in all 50 US states. Alaska and Hawaii included.

Previous Teaching Experience: I taught at BSU for 11 years, TrekNorth High School for two years and was a long term substitute at Dunwoody College of Technology in Minneapolis.

Place of Residence: Winter in Clearbrook and summer in the woods of Walkerbrook Lake, south east of Bagley.

Linda Brown is the new art teacher at the Clearbrook-Gonvick High school.

What made you decide to become a teacher? I have always had concern and cared about people from all walks of life. Realizing that young people need to have a well rounded, quality education in order to enter the fast-paced, ever changing world of adult life prompted me to switch careers after working 17 years in human services. It just seemed the next natural step to take.

Easement to Bear Creek Township cemetery and Four-Legged Lake levels approved

By Karen Edelbach

The Clearwater County Board of Commissioners meeting on January 30, 2018 began with an explanation from Land Commissioner Bruce Cox about the need for an easement in Bear Creek Township for public road purposes and to gain access to the cemetery there.

"A good road has been built through the property going to the cemetery. But there is a problem," Commissioner Cox said. "It needs to be on the easement form we use and with the right statute. By granting this easement, we are not giving up anything."

County Attorney Al Rogalla was on hand to offer his input and had reviewed the easement. He said this is good public use to go to the cemetery.

As a township road, there is likely to be much more traffic using it than before.

"This will make a big difference, as you haven't been able to get to the cemetery for the past several years," Commissioner Dean Newland said.

The Board approved the terms and conditions for the easement. The County will be able to go through the land where the easement is located and retain access to do their work. A previously locked gate will be taken down.

Four-Legged Lake Project: Commissioner Neal Illies discussed a motion to the Board regarding the levels for the proposed Red Lake Watershed District (RLWD) Flood Reduction Project on Four-Legged Lake, requesting levels to be between 1426 and 1428 feet.

"I have studied this a lot, and I'd like to represent the County regarding Four Legged Lake at the meetings with Red Lake Watershed District," the Commissioner said.

The Board agreed to assign him to the Four-Legged Lake project. He will attend the committee meetings. He is trying to persuade the RLWD to complete the abandonment process because otherwise it was expected the RLWD will do what had been previously planned, lowering the water level to 1423.8 feet, against the consensus of area residents.

Attorney Rogalla said, "I think they (RLWD) will be making a decision this spring."

A letter prepared by Commissioner Illies and reviewed by the County Attorney is to be sent to the attorney for the RLWD and was given Board approval. The letter states he disagrees with the RLWD premise that they have the authority or obligation to return the ditch back to its original construction without owners input and approval. Commissioner Illies is basing this on a 1976 Minnesota Supreme Court case.

To pass along whatever I can, the importance art plays in our history as human beings and help develop an interest in art and making art in young peoples lives. I hope to help students find the inner artist that resides in everyone.

What are your goals for this school year? To develop a strong curriculum for all ages K-12. Get to know students, teachers, staff and develop strong relationships. Reach out in our communities and find, public venues for exhibiting student art and to have students enter art competitions at least on the state level.

What do you hope to bring to Clearbrook-Gonvick and your students? I hope to bring my passion for art to the students in order for them to take art with them and make it a part of their lives. Art is a creative, self expressive activity that can boost self confidence, self image and self esteem. We also learn tremendous problem-solving skills when we are engaged in art making. These skills carry over into all aspects of life and help us find success in any number of life activities. I hope to have C-G schools gain a reputation of having a strong art program with actively engaged students who learn to find their personal path to self expression and share their work with our communities by having student exhibitions, just like the pros. To share the positive impact art can have on young people and increase awareness of the talent to be found in students from our area.

"The level of between 1426 and 1428 feet for the flood reduction project on Four-Legged Lake was the consensus with most on the project team at the last meeting for the project. Just a couple of team members still wanted lower levels including the DNR.

"We are just trying to get a consensus with this motion," Commissioner Illies said. "This is a recommendation, and not written in stone. Their engineer told me the 1428 foot level is a 100 year flood level and the lowest it will go is to 1426 feet, about one foot below today's level. It is a good compromise that protects our roads and safety and agrees with what the land owners want" he said. "Safety issues are very important to me and of my highest concern."

Commissioner Illies said that he has several documents, dating back to 1966, showing the lake at approximately the same level as it is today. He said that he does not have any documents or verified measurements that show the culvert on the township road was raised in the 1999 time frame.

Annual reviews for department heads were to be conducted by the Board of Commissioners after the regular meeting.

All Commissioners were present at the meeting, Daniel Stenseng, Dean Newland, John Nelson, Neal Illies and Arlen Syverson.

January Elementary Students of the Month

"Action is the foundational key to all success." ~ Pablo Picasso

Name: Keiran Woodruff , Kindergarten

Parents: Jill Evje **Siblings:** Reece and Kristian

Comments: *"Keiran is wonderful to have in class. He is a good friend to others and enjoys playing many different things in the room with many different friends. He is a hard worker that always does very neat work. If he does not finish something at work time, he is the first to tell me that he is finishing it before play time! Keiran is very knowledgeable about many things and is able to contribute to most class conversations. It is great to have him in kindergarten!" "Kieran is a fantastic singer!!! He is a natural leader in class and so polite!!"*

Name: Niah Knutson-Willett, Grade 1

Parents: Marni Knutson and Jermiah Willett **Sibling:** Baby sister Sawyer

Comments: *"Niah comes to school every day with a delightful smile on her face, eager to get to work! That's not easy when you have a brand new baby sister at home! Niah demonstrates great character; she is kind, thoughtful, caring, trustworthy, dependable, and always ready to help! Niah is a role-model for our class rules and expectations, she works hard and respects the work of others by making great choices in her own behavior! Niah always completes her work and is dedicated to finishing her homework on time as well. She strives to learn and is willing to take risks that expand her understanding! Niah, thank you for always trying; you most certainly deserve to be our Student of the Month! Congratulations!"*

Name: Bella Dahl , Grade 2

Parents: Craig and Laura Dahl **Siblings:** Becca (in kindergarten)

Comments: *"Bella comes to school every day with a huge smile on her face and is excited to learn. She is kind and respectful to other students. She is very helpful to her classmates and is always willing to help Mrs. Faldet whenever she gets a chance. Bella is a hard worker. She tries very hard to make sure she is always following classroom and school rules. Her homework is always completed on time too! Congratulations Bella on being chosen as Student of the Month! I'm super proud of you!"*

Name: Lydell Feather, Grade 3

Parents: Lydell Feather, Sr. and Cheyenne May **Siblings:** Taylin, Taivion, Leonte, Chilyn, and Robin

Comments: *"Lydell is new to our school this year and we are so fortunate to have him! He comes to school prepared every day and is ready to learn! When there is work to be done, Lydell digs right in and gets busy without being asked. If there is down time, I can find him with a book out reading. Lydell is kind to everybody and is always wearing a smile. We are so lucky to have you in our class! Congratulations Lydell!*

Name: Natasha Chandler, Grade 4

Parents: Donaven and Ashley Chandler **Siblings:** Tim and Emma

Comments: *"Natasha is a complete joy to have in class. She comes in each day with a smile on her face, and a positive, never give up attitude. Natasha is an incredibly hard worker and will do whatever is asked of her. Not only is she helpful to her teachers, but she is also willing to assist classmates when they have needs, and loves to teach her little sister! Great job Natasha; keep up the hard work!" "Tasha is doing a great job playing recorder. She never gives up and always has her hand up to answer questions! Way to go, Tasha!"*

Name: Cooper Wishard, Grade 5

Parents: Dudley & Cindy Wishard **Siblings:** Sam, Auggie & Eille

Comments: *"Cooper is an outstanding student in all areas. He is hardworking, studious, and kind. He is always offering to help out wherever needed. He sets his goals high and works hard to achieve them. In our classroom, he can often be found reading a book. I love his positive outlook on life and learning. It sure is a pleasure to have Cooper as a student & I'm proud to say he is our student of the month!" "Cooper emerged as a student leader/teacher in our ukulele unit. He taught several students around him how to play short songs on single strings. He is always so respectful and patient in class--a very positive role model and a nice young man!!!"*

Name: Leonte' May , Grade 6

Parents: Lydell & Cheyanne **Siblings:** Lydell Jr. & Taivion

Comments: *"Leonte' is a great role model to his peers. His quiet demeanor is appreciated by teachers and his classmates. Leonte' is encouraging, kind, and very polite. He remains calm when things are stressful. His friends say, "Leonte' is very kind." "He is a good person to talk to." "(Leonte') is always getting his work in on time." "He likes to talk with everybody and he's funny and he has a great personality." "Leonte is a leader by quiet example ----I am so glad he is a part of our music classroom!"*

NEW BEMIDJI VA CLINIC: The VA Community Base Outpatient Clinic (CBOC) will be moving to its new location this month. The clinic will be at minimal operations and all appointments are blocked on February 21, 22, and 23. With this move the network will be shut down so access to be able to fill medications and place consults is going to be very limited during this time. They ask that you plan ahead along with them. If you need something please contact the clinic prior to February 16th so they can attend to requests in a timely fashion. On February 26th they will only be seeing a few patients at the new clinic. From there on they should be at normal operations and as they get settled into the new building. Your patience is appreciated during the process of moving. More information and updates to come. New Address: 1217 Anne Street NW.

I welcome your own personal comments. Constructive feedback on your own behalf (not anonymous) to our Commissioners is also a valuable gauge of how this office can better serve all veterans and their beneficiaries. Office(218)694-6618/

Joke time...

A group of 15 year old boys discussed where they should meet for dinner. It was agreed they would meet at the McDonald's next to Captain Jack's Seafood Grille because they only had six dollars among them, they could ride their bikes there and Jennie Webster, that cute girl in Social Studies, lives on the same street and they might see her.

Ten years later, now 25 year old guys discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the beer was cheap, the bar had free snacks, the house band was good, there was no cover charge and there were lot of cute girls.

Ten years later, at 35, the group once again discussed where they should meet for dinner. It was decided they would meet at Captain Jack's Seafood Grille because the booze was good, it was near their gym and, if they went late enough, there wouldn't be too many whiny little kids.

Ten years later, at 45, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the martinis were big and the waitresses wore tight pants.

Ten years later, now 55, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the prices were reasonable, they have a nice wine list and fish is good for your cholesterol.

Ten years later, at 65 years of age, the once again group discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the lighting was good and they have an early bird special.

Ten years later, at 75 years of age, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because the food was not too spicy and the restaurant was handicapped accessible.

Ten years later, at 85 years of age, the group once again discussed where they should meet for dinner. It was agreed they would meet at Captain Jack's Seafood Grille because they had never been there before.

GIVE A VETERAN A LIFT: Save the date! Tim Johnson informs the 11th annual "Give A Veteran A Lift" music program fundraiser for the Clearwater County Veterans Transportation Program will be held on Saturday, February 17th at the comfy Bagley High School Auditorium from 7:00 to 9:00pm immediately following the Bagley Senior Center Sweetheart Dinner. A free will offering will be taken at the door and all during the performance, which goes directly to the County Revenue Fund line item "Clearwater County Veterans Transportation Program". As the administrator of that program, I so grateful for the faithful and selfless generosity of the collective local communities that literally breathe life into the Transportation Program. It is important to note that the program can only serve the veteran passengers when there is a covering balance in the County Revenue fund. I'd like to encourage local agencies and service groups to consider the Clearwater County Veterans Transportation Program as fully worthy of their financial support. I am ready to provide and even personally present information to townships, Veterans Service Organization posts, church groups and individuals whose heart for service is seeking to bless local veterans with transportation access to their VA Health Care.

The Minnesota Department of Agriculture is now accepting applications for the 2018 Hemp Pilot Program season.

There is no deadline to file an application this year.

In 2015, the Minnesota Industrial Hemp Development Act became law, allowing MDA to create an industrial hemp research pilot program in order to study the growth, cultivation and marketing of industrial hemp. The law directed the commissioner of agriculture to make program rules, determine a fee structure, and perform testing and other regulatory activities.

In 2016, there were six pilot participants in Minnesota who grew industrial hemp in MDA's pilot program. It was a historic year, as state growers saw the harvest of approximately 40 acres of hemp in Minnesota for the first time since the 1950s.

In 2017, there were 38 registered pilot participants who grew a total of 1,205 acres.

To learn more about growing industrial hemp in Minnesota, visit MDA's frequently asked questions page And to file an application, go to MDA's industrial hemp pilot program application.
