Leader-Record

CONTINUING THE GONVICK RECORD AND CLEARBROOK LEADER

Serving the Communities of Clearbrook, Gonvick, Gully, Leonard and Trail

$1.00

Kaylin Erickson of Clearbrook watching as her pumpkin was weighed. She had the record for the day and for the past 25 years. Her pumpkin weighed in at 1,348 pounds. She is the one with sun glasses in the middle. See winners in the Canary.

Clearbrook's Blood Drive Brings in 44 Volunteers

Clearbrook American Legion hosted a blood drive with United Blood Services on September 17 at the Old High School which helped collect a total of 44 units of blood for patients in need. A total of 44 individuals volunteered to donate blood and 38 individuals were able to donate at the United Blood Services blood drive on September 17. A total of six donors also came forward to donate Power Red Cells (2RBC) which collects two units of red blood cells while returning platelets, plasma and a saline solution back to the donor. There were four persons who volunteered for the first time.

United Blood Services expressed their gratitude to Janet Olson, who coordinated the drive, and the city of Clearbrook for providing the space for the drive, as well as others who assisted the day of the drive: Betty Randklev, Lucy Thompson, Lana Wraa, Margie Johnson, Fern Jackson, Betty and Duane Johnson, Marlin Olson, and Darlene Sawyer. UBS also thanks KKCQ and Leader Record for advertising the drive.

UBS strives to keep a 5-day supply of every blood type on the shelf at all times to be able to meet the needs of patients across the region. Donations from O-negative donors, the universal blood type, are especially important this time of year due to increased accidents and trauma cases.

United Blood Services is the only blood provider to nearly 70 hospitals across the region. The blood supply is dependent on selfless donations from volunteer donors to ensure the lifesaving needs of the region are met.

About 30 percent of UBS's blood supply goes to cancer patients across the region and one in seven people entering the hospital will need blood. Those relying on blood in the region receive that lifesaving blood from UBS.

Donors can make a convenient appointment to give blood at www.bloodhero.com or by calling (877)827-4376. With each donation, donors receive a free total cholesterol test and earn points in United Blood Services' Hero in Me rewards program.

Blood donation takes about an hour from check-in to refreshments. Donors can save about 20 minutes by completing their Fast Track Health History the day they donate on www.unitedbloodservices.org

Sea Wing Disaster program at Elim

NELL Speaker to talk on "The Sea Wing Disaster: Tragedy on Lake Pepin"

In 1890, Red Wing suffered one of the worst maritime disasters in Mississippi River history: a storm struck the Sea Wing steamboat as it traveled from Lake City to Red Wing, and caused the boat to sink. 98 people, mostly Red Wing citizens, tragically lost their lives in the catastrophe. Learn about the events leading up to the disaster, what went wrong, and the aftermath of what has been called the 'Mississippi's Titanic.'

Books will be available for purchase after the program.

Dustin is the current coordinator for The Minnesota Alliance of Local History Museums and the former executive director of the Goodhue County Historical Society. Dustin and his family reside in Red Wing.

This program is October 10 at the Elim Church in Clearbrook. Program begins at 9:30 am. All ages are welcome; programs are free, donations encouraged.

Weather did not dampen Pumpkin Day in Gonvick

The annual Gonvick Pumpkin Day was held last weekend. Although the weather was rather chilly it did not hamper the enthusiasm of the people attending.

Several events were planned for the 25th annual day.

Kandi's Kitchen, Samhold Sunday School, Gonvick Fire Department and B-loved Brew from Grace Community Church of Bagley all were available to serve food for the day.

The Girl Scouts held a pie eating contest. Wining the two events were Matthew Forsberg and Isaac McQuown.

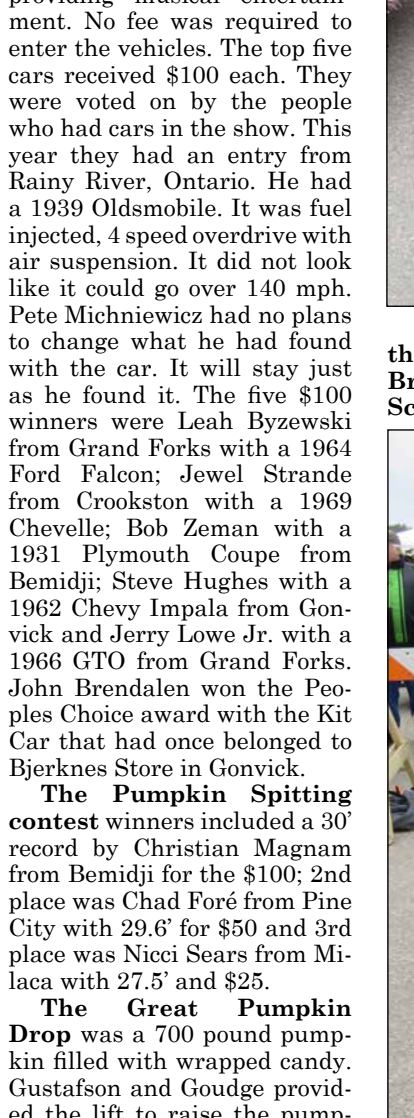

The car show had 48 entries with Wild Wes Kaupang providing musical entertainment. No fee was required to enter the vehicles. The top five cars received $100 each. They were voted on by the people who had cars in the show. This year they had an entry from Rainy River, Ontario. He had a 1939 Oldsmobile. It was fuel injected, 4 speed overdrive with air suspension. It did not look like it could go over 140 mph. Pete Michniewicz had no plans to change what he had found with the car. It will stay just as he found it. The five $100 winners were Leah Byzewski from Grand Forks with a 1964 Ford Falcon; Jewel Strande from Crookston with a 1969 Chevelle; Bob Zeman with a 1931 Plymouth Coupe from Bemidji; Steve Hughes with a 1962 Chevy Impala from Gonvick and Jerry Lowe Jr. with a 1966 GTO from Grand Forks. John Brendalen won the Peoples Choice award with the Kit Car that had once belonged to Bjerknes Store in Gonvick.

The Pumpkin Spitting contest winners included a 30' record by Christian Magnam from Bemidji for the $100; 2nd place was Chad Foré from Pine City with 29.6' for $50 and 3rd place was Nicci Sears from Milaca with 27.5' and $25.

The Great Pumpkin Drop was a 700 pound pumpkin filled with wrapped candy. Gustafson and Goudge provided the lift to raise the pumpkin several feet in the air. An area had been marked off for mashed pumpkin all over the ground. Children ran forward and grabbed up the candy and the messy remains of the pumpkin. See video in the Tricocanary.com Home page.

The great pumpkin weigh-off had Kaylin Erickson of Clearbrook having not only the largest pumpkin but a record for the biggest in the 25 years weighing 1,348 pounds. First place - Kayline Erickson 1,248 pounds, 2nd place Tucker Johnson 1,200 pounds, 3rd place JJ Solberg 1,172 pounds, 4th place Frank and Annie Berg 948 pounds, 5th place Bob Edevold 928 pounds, 6th place Matt Wickam 686 pounds, 7th place Lucky Junior 610 pounds, 8th place Erv Wickam 592 pounds and 10th place Al Danielson 446 pounds.

The bed races were the final event for the day. The winning racers received $500 for their effort. They included Jacob Londo, Trevor Anderson and Brandon Quern. Different heats narrowed the teams down to the three that competed for the winning event. 2nd place and $250 was Scott Stebe, Courtney Bergman and Allison Stebe. Third place and $100 were McKenzie Momerak, CJ Ruggero and Bryce Larue.

Bed race winners at the Gonvick Pumpkin Day and the $500 cash were Jacob Londo, Trevor Anderson and Brandon Quern. They all attend Clearbrook-Gonvick School.

Second place bed race winners at the Gonvick Pumpkin Day and the $250 cash prize amount were Scott Stebe and Courtney Bergman standing and Allison Stebe seated.

Third place bed race winners at the Gonvick Pumpkin Day and the $100 cash were CJ Ruggero, McKenzie Momerak and Bryce Larue.

The Bill Schmunk President Award is given each year to someone who worked very hard to help to get the Gonvick Pumpkin Day going. Kim Solberg was the recipient this year.

Annie's Boys who were in the Gonvick Pumpkin Day bed race were Wayne Bergh, Charles Bergh and Aaron. They were very colorful in their red underwear.

Thank You!
Words cannot begin to express the amount of gratitude we have for the generosity leading up to, during, and after the benefit for Wayne Kindem these past weeks. Our family would like to extend a warm thank you to those who helped make it possible, who worked the event, and to all the folks that came and showed their support. We would like to give special acknowledgements to the Gonvick Legion, Lions Club, Leader-Record, Farmer's Independent, QFM Radio Station, local business owners, family, and friends. Getting to see so many familiar and friendly faces on September 15th lifted our spirits and reminded Wayne that he is not alone in his fight. All of the kindness shown is greatly appreciated during this difficult time and will not be forgotten.

The Lacewings, a Minnesota-based acoustic duo, will take the stage at the Bagley Public Library.

Bagley Public Library Announces Upcoming Free Acoustic Performance

The Lacewings, a Minnesota-based acoustic duo, will take the stage at the Bagley Public Library in early October. The musical group draws inspiration from the deep roots of women's folk music from Europe and European immigrants to North America. The community is invited to experience their folk songs and stories, which were originally shared by some of Minnesota's immigrant ancestors and now brought to local communities by The Lacewings. This event is brought to the community free of charge thanks to funding from the Minnesota Arts and Cultural Heritage Fund. Lacewings are scheduled to perform Oct. 4 at 6 p.m. at the Bagley Public Library, 79 Spencer Ave. SW.

The Lacewings are part of Lake Agassiz Regional Library's Arts and Cultural Heritage Series. The series brings authors, musicians and entertainers to libraries and community centers throughout northwest Minnesota. All events are offered free of charge, thanks to funding from the Minnesota Arts and Cultural Heritage Fund, and will feature guests such as legendary storyteller Lise Lunge-Larsen, Celtic musician Laura MacKenzie and local author of "Sister Secrets" Matthew Valan. Dear Clearbrook-Gonvick Community

As a teacher, coach, and parent in the Clearbrook-Gonvick school district for the past thirteen years, I believe I have a solid grasp on the needs and opportunities of this school, and I strongly believe in the benefits of the forward thinking of the new additions to our school. I often tell my students and athletes the following - "You are either improving or you are declining. You are either getting ahead or you are falling behind. You don't stay the same." I for one am proud of our school board and administration for looking for ways to continually improve our school for our students and community instead of allowing us to fall behind.

As a teacher and parent I understand that the addition of new classrooms in the elementary wing is a need and not a want. Space has been an issue for years in the elementary wing. The addition of these new classrooms would greatly improve our ability to develop and educate our young students. It would also allow us to develop a 4-year old program in our school. This is not only beneficial for the education of our students but would also help to bring more students into our school. In a time when most schools our size are declining in numbers, we actually have the opportunity to increase our student body.

As a coach I know that the additional gym, weight room and locker room would help fix many problems with the current set up. The seating in the gym would allow us to host more events and to keep our students, parents and fans all at one location. This is not only convenient but also helps create a safer and and more manageable environment. The additional space would also be utilized throughout the year for band concerts, science fair, prom, and the many times our elementary students need to stay inside during recess because of weather conditions. In regards to the additional locker room, I can not even begin to tell you how valuable it would be. Currently with our two locker room set-up we have visiting boys teams using the girls locker rooms and visiting girls teams using the boys locker rooms. This cuts our practices short to accommodate visiting teams and also could create a potential liability situation. Having traveled to many schools for away games as both a football and basketball coach, I can tell you that we are one of the only schools that has to deal with this problem.

In conclusion, I am a strong believer in working to get ahead instead of waiting and falling behind. The addition of these new facilities would obviously benefit our students and our community immensely. However, I think it is also important to recognize that in todays open enrollment system, we need to create a school that ensures parents in our region choose Clearbrook-Gonvick for their children's education. We can do this by showing that our communities are willing to put our kids first. We can do this by showing that .75 cents a month (on a $70,000 house) is a reasonable amount to help ensure that our school stays one of the best schools in all of Minnesota.

I encourage you to get out and vote on or before Tuesday, November 6th. For additional information, including other components about our proposed plan, visit our District's website at www.clearbrook-gonvick.k12.mn.us or call 218-776-3112

Thank you,

Casey Kroulik

Joke time...

Ole and Lars, two government maintenance guys, were standing at the base of a flagpole, looking up. A woman walked by and asked what they were doing. "We're supposed to find the height of the flagpole", said Ole, "But we don't have a ladder." The woman said, "Hand me that wrench out of your toolbox." She loosened a few bolts, and then laid the pole down. She then took a tape measure from their toolbox, took a measurement and announced, "Eighteen feet, six inches" and walked away. Lars shook his head and laughed. "Well, ain't that just like a 'Miss-know-it-all' woman?" he said. "We need the height and she gives us the length!"

From my mail...

Anne Quarnstrom renewed her newspaper subscription. She enjoys the paper. Thanks for your comments.

NELL Speaker Examines "Minnesota & The Influenza Pandemic of 1918"

In the closing months of the Great War, humankind experienced an influenza pandemic of global proportions. The virus spread quickly affecting countless Minnesotans. Using primary sources gleaned from the Minnesota Historical Society along with news reports of the era, Johannes Allert shares accounts from Minnesotans across the state and overseas of how citizens reacted to the great tragedy of the early twentieth century.

Mr. Johannes Allert is an adjunct professor for Rogers State University and is the author of several articles published in Minnesota History, Ramsey County History, North Dakota History, and Air & Space Power (U.S. Air Force). He is currently researching Minnesota in the Great War as well as the life and legacy of Lt. General Frank Andrews.

Why the autum colors change

Eric Singsaas, the director of the Wood and Bioeconomy Initiative at the Natural Resources Research Institute in Duluth, explains what's behind Minnesota's autumn color change.

"The bright autumn sunshine coupled with colder temperatures is stressing the trees. Our research showed that the red pigments are formed in the leaves in the fall to shield them from excess sunlight, sort of like a sunscreen, to prevent leaf damage.

"Minnesota trees with the red/purple pigments—red maples and dogwood, for example—develop the pigments each fall. Trees that exhibit the yellow/orange pigments—paper birch, aspen—have some of those pigments throughout the year, but increase the pigments as a protective response in the fall as a kind of circuit breaker.

Bagley Library Announces Author Visit, Acoustic Performance

The Bagley Public Library will host two upcoming events as part of Lake Agassiz Regional Library's Arts and Cultural Heritage Series.

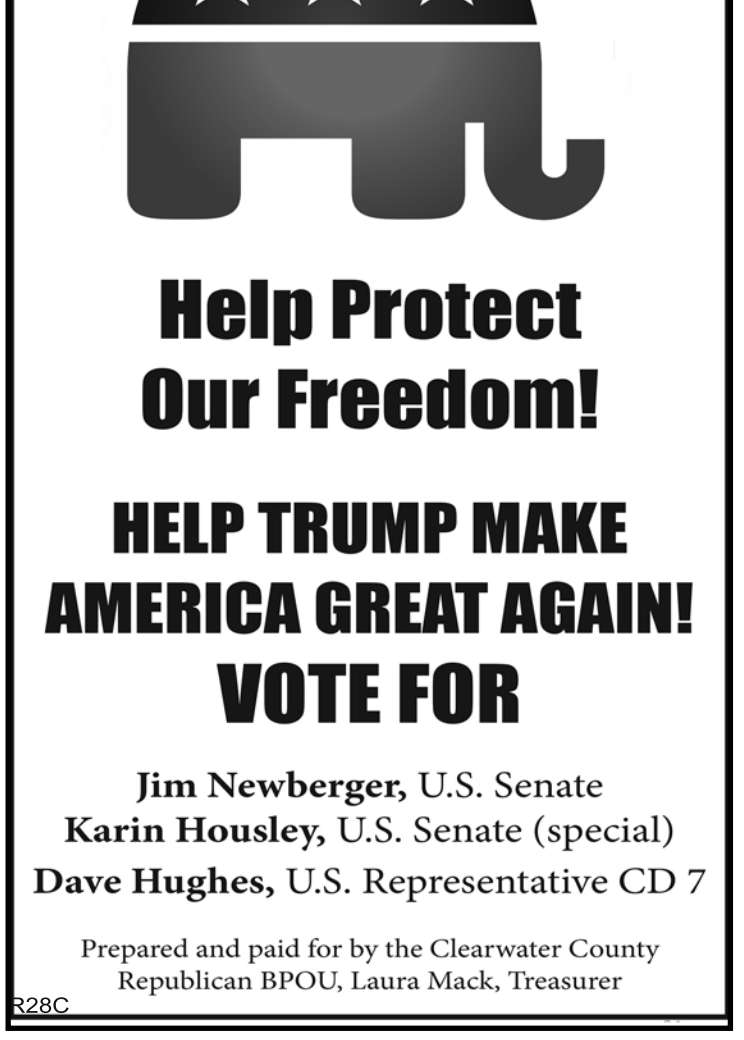

First, the library will welcome Minnesota-based acoustic duo The Lacewings to the library for a performance. The musical group draws inspiration from the deep roots of women's folk music from Europe and European immigrants to North America.

The community is invited to experience their folk songs and stories, which were originally shared by some of Minnesota's immigrant ancestors and now brought to local communities by The Lacewings. The Lacewings are scheduled to perform Thursday, October 4 at 6 p.m. at the Bagley Public Library.

Matthew Valan, local author of "Sister Secrets", will make a free appearance at the Bagley Public Library. Described as a study in regret and hope, "Sister Secrets" tells the tragic stories of Valan's sisters who were eventually diagnosed with bipolar disorder. Valan is scheduled to visit the Bagley Public Library, 79 Spencer Ave. SW., Thursday, October 11 at 2:30 p.m.

These events are offered free of charge, thanks to funding from the Minnesota Arts and Cultural Heritage Fund. A full list of events can be found at www.larl.org/legacy.
