School given a clean bill of health for the audit

The Clearbrook-Gonvick School board received a clean bill of health from Eide Bailly at their meeting on Monday, October 17. The audit given by John Hagen, Fargo Office manger of the company stated that the unmodified opinion was the best to get. One item found was the segregation of duties but since the district is so small it is not possible to have so many people in the office.

The district has a positive bond rating. Their fund balance growth in the last 10 years has been the goal. They would be able to operate another 4 months without getting any other funds.

There was a large growth in the Food Service Fund due to Federal money coming in for the free meals that were served last year. It was advised to spend some of the money down on equipment to be used in that area.

Community Comments.

Gary Prosser was concerned about Halloween and if the rainbow fentanyl had been talked about. The school resource officer has Narcon available.

Cory Solberg questioned the potential of woke idealogy in the district. Board members had not heard of any.

Spotlight on Education

Mr. Bettin gave the Spotlight on Education as to what has been happening in the district so far this year.

There will be a music solo contest on November 2.

There has not been anything from the legislature at this time.

John Hagen has indicated that GASB87 at the school will no longer be able to have the Angel Care Fund. This has been giving of hats, gloves to children in need and lunches to take home for the weekend. These donations can no longer be accepted at the district. This would have to be take over by are church organizations, Lions Club and other community projects.

With the buildings and grounds they are installing an exhaust fan in the shop That needs proper ventilation. There will also be outlets put in on the outside of the building for plug ins for the busses.

With the shortage of coaches for girls sports they might have to assign these to people.

Lakai and his family receiving a check from his second grade teacher Brenda Faldet for over $4,000 to cover some of their expenses. Money was raised by various functions that was held at the school. The sign in front of them was signed by everyone in the elementary school at Clearbrook-Gonvick. Pictured from left to right: Blane Erickson, Veronica Lee, Lakai Rivera, Daryll "Pat" Lee, Nana Mahl-Berg-Lee and Brenda Faldet.

Ribbons and raffles for Lakai

Lakai Rivera is a second grade student in Mrs. Faldet's class at Clearbrook-Gonvick Elementary. The whole school has been working together to raise funds for the family for expenses. They have held raffles and sold ribbons as September was Childhood Cancer Awareness month. The football and volleyball teams ran a Tackle-Spike Out Cancer events at the school. Selling baked goods and paper bag luminaries.

Lakai has been suffering with leukemia since he was in kindergarten. He hurt his wrists on the play ground and he also complained about his back. The family took him to the Walk In Clinic in Bemidj. He was seen by an orthopedic doctor who took x-rays but did not see any fractures. He was concerned about cloudiness around his wrists. When the doctor touched them, he was in severe pain. They put a brace on the wrist that was hurting and one week later, the other one. They still did not see any fractures and they put Lakai through a full body scan and drew blood and came to the conclusion that he had leukemia. His bone marrow was leaking out of his bones causing the smoky color around the wrist. They administered a blood transfusion and his, Grandma Nana said that he was happy and back to normal. But that was the start of their many trips to Sanford Children's Hospital in Fargo, North Dakota. The family had to get a better car to get them back and forth to Fargo.

The finding was that Lakai had ALL – or Acute Lymphocytic Leukemia, which chemo is the main treatment and he has taken the treatments very well. He had to have a port put in his chest to administer the chemo drugs easier. Two times he has spent days in the hospital. He suffered from C-Diff, an inflammation of the colon when he spent 14 days hospitalized. He has had neuropathy in his left leg and the doctors put braces on so that he can walk normally. It would cause him to be pigeon toed if not treated. "The hardest part of the brace is keeping it clean from mud and dirt with a young boy," grandma said. He has been on a treatment protocol with one dose of chemotherapy everyday and 2 doses on Wednesday. In 29 days they will up his dose and he is scheduled for a spinal tap on November 2, which is his mother Veronica's birthday.

Grandma Nana spent many hours giving him extra help at home with his school work when he could not be in school. He is able to read chapter books and do book reports. He is really proud that he is an honorary lineman for Clearwater Polk Electric. He even got a ride up in one of their buckets.

Students at Clearbrook-Gonvick got behind the campaign that his teacher Brenda Faldet and Tiffany Kroulik started. The ribbons that they sold for $1.00 were brought home and decorated and were displayed in the school. Football players sold raffle tickets to do yard work, T-shirts, football helmet and cards. Their effort brought in over $4,000 for the family expenses.

The family is looking forward to August 2024 when the treatments should be over and a new chapter will begin.

Clearbrook-Gonvick football players were busy selling raffle tickets for the Tackle and Spike Out Cancer to raise money for Lakai Rivera with his fight with leukemia. They sold raffle tickets to do yard work, T-shirts, football helmet and cards. Players from left to right: Roman Beaulieu, Brydon Benson, Logan Westrum and Trever Solberg.

Selling t-shirts and sweatshirts for Lakai Rivera's family to help with treatment and travel expenses.

Clearwater County 4-H'ers present their best in Minnesota 4-H State Dog Show

5 4-H youth from Clearwater County participated in the Minnesota 4-H State Dog show Sept. 24-25, 2022. In total, 307 youth and 354 dogs from across the state participated in this annual event, held at the 4-H Building on the Minnesota State Fairgrounds.

Over the two-day event, 4-H'ers demonstrate their skills and knowledge in agility, obedience, showmanship, and rally, competing against other youth in their age group and experience level.

Youth members of the Minnesota 4-H Dog Project learn to train and build a trusting relationship with their pet. Topics of study include canine behavior, breed characteristics, diseases, ethics, grooming, health, nutrition, responsible breeding, service dogs, therapy dogs, dog-related careers, and the wide array of dog sports.

"Youth learn so much responsibility from training their dog and competing in the 4-H State Dog Show," said Kim Lambert, one of the many caring adults who volunteer with the 4-H Dog Project statewide. "These kids work all year long, building strong partnerships with their dogs. If they don't work carefully with their dogs, the dogs won't work for them. The responsibility kids learn here they can use forever."

Special Thank You to Megan Warmbold and Kayla Walberg for leading the Clearwater County 4-H Dog Project this year. Without dedicated volunteers, our youth would not have these opportunities.

The following youth were members of the Clearwater County delegation:

- Isabella Warmbold and Opal: Beginner Obedience – Blue, Novice Rally – Blue, Open Showmanship – Reserve Champion
- Lily Walberg and Jack: Elementary Agility – Blue, Jumpers 1B – Red, Graduate Beginner Obedience – Grand Champion, Novice Rally - Blue
- Sarah Reichert and Dixie: Beginner Agility – Blue, Jumpers 1A – Grand Champion, Foundation Obedience – Reserve Champion, Foundation Rally – Grand Champion, Open Showmanship - Blue
- Bryce Helberg and JJ: Beginner Agility – Red, Jumpers 1A – Blue, Foundation Obedience – Blue, Foundation Rally - Blue, Novice Showmanship – Blue
- Ellyse Berg and Denali: Beginner Agility – Red, Jumpers 1A – Blue, Beginner Obedience – Red, Novice Showmanship - Red

County 4-H'ers at Minnesota 4-H State Horse Show

3 4-H youth from Clearwater County participated in the Minnesota 4-H State Horse show Sept. 16-19, 2022. This year, 591 youth from across the state participated in the annual event at the Minnesota State Fairgrounds. 4-H'ers demonstrate their skills and knowledge in hippology (showing knowledge and understanding of equine science and husbandry), horse judging (study of an animal, measuring it against an accepted ideal), horse training and achievement, speech and demonstrations about interest in horses or the horse industry, showmanship and drill team skills.

Youth who participate in the Minnesota 4-H Horse Project learn about show, trail, and endurance riding; test their horse knowledge at quiz bowls or on judging teams, and study horse science. Youth may participate if they own or lease a horse. There are even options for youth who are interested in horses, but don't have access to one in their community.

"Through the Minnesota 4-H State Horse Show, youth build communications skills, gain deeper learning and interest in horses, and build relationships with caring adults," said Renee Kostick, Extension Educator who manages the 4-H horse project in Minnesota. "These experiences contribute to their success in school, community, and futures."

The following youth were members of the Clearwater County delegation:

Sarah Reichert

Gracie Halberg: 2nd Place – Jumping Figure 8 Grade 11, 3rd Place - Barrel Race Grade 11, 4th Place – Pole Weaving Grade 11

Brooke Haman: 9th Place – Key Race Grade 11, 9th Place – Showmanship Grade 11

The Clearwater County Delegation also placed 4th in Herdsmanship during the Minnesota 4-H State Horse Show and earned an extra trip opportunity for the 2023 show. Congratulations to all of our participants. Special THANK YOU to our Horse Project Leader, Kati Martin and our State Horse Show Chaperone Jen Haman. Without the support of adult volunteers, youth would not have these incredible opportunities.

VOTE
LARRY JOHNSON FOR SHERIFF

I'm Larry Johnson, and I'm running for Sheriff in Clearwater County. I have 26 years of law enforcement experience, 10 years as a police chief, and also retired from the military as a Command Sergeant Major giving me excellent experience as a leader. As sheriff, I would increase patrols in the county, responding to all calls, civil and criminal. And a priority would be better relations between law enforcement and the public. I believe changes for the better are needed in order to make Clearwater County safer. I'm Larry Johnson and I'd appreciate your vote for Clearwater County Sheriff.

The evolution of Halloween costumes

It is impossible to identify the first Halloween costume and which masks the earliest celebrants donned in efforts to keep away the evil spirits during Samhain, which historians believe is the Celtic precursor to Halloween.

According to Lesley Bannatyne, an author who has written extensively about the history of Halloween, masks and coverups were designed to symbolize ghosts and the souls of the dead, first for Samhain and later for the custom of "souling," which was intended to cut back on pagan influences.

Costumes of saints and evil spirits also were popular during this time. When immigrants brought Halloween customs to North America, early 20th century costumes featured much of the same - ghosts and ghouls.

It wasn't until the 1920s and 1930s that pop culture began to infiltrate costumes. In fact, one of the first costume companies, J. Halpern Company, began licensing pop culture images like Mickey Mouse and Popeye around this time.

By the 1960s, costumes were largely store-bought, spurring entire industries.

Many 1980s kids recall buying boxed costumes that consisted of rigid plastic masks with eye holes (and very small holes by the mouth and nose) that stayed in place with thin elastic straps, and a plastic sheeting costume that went over clothes.

Modern costumes have evolved into outfits that are far more complex.

Clearwater County 4-H Youth attend the 2022 NorthEast Livestock Show

5 Young people from Clearwater County 4-H chose their favorite show animals and competed with them at the 2022 Northeast 4-H Livestock Show on Sept. 17 & 18 at the Crow Wing County Fairgrounds in Brainerd. Attended by 210 4-H members, each 4-Her could show one animal that earned a blue ribbon at the county fair, but was not shown at the state fair.

Some of the participants own their animals and some lease animals, allowing kids who live in town the opportunity to show livestock. Through 4-H livestock projects, 4-H members learn about raising, feeding, caring for, judging, training, and showing animals. They also learn responsibility, sportsmanship, preparation, and gain confidence. 4-Her's explore future careers working with animals and share their knowledge with others to gain leadership experience. Clearwater County participants were: Aiden Ehlers with a Breeding Gilt, Jackson Kaiser with a Market Goat, Charlie Kaiser with a Market Goat, Emmalynn Bakke with a Rabbit and Kaylynn Waldvogel with Market Ducks. All Clearwater County participants earned Blue Ribbons in their livestock class as well as Showmanship.

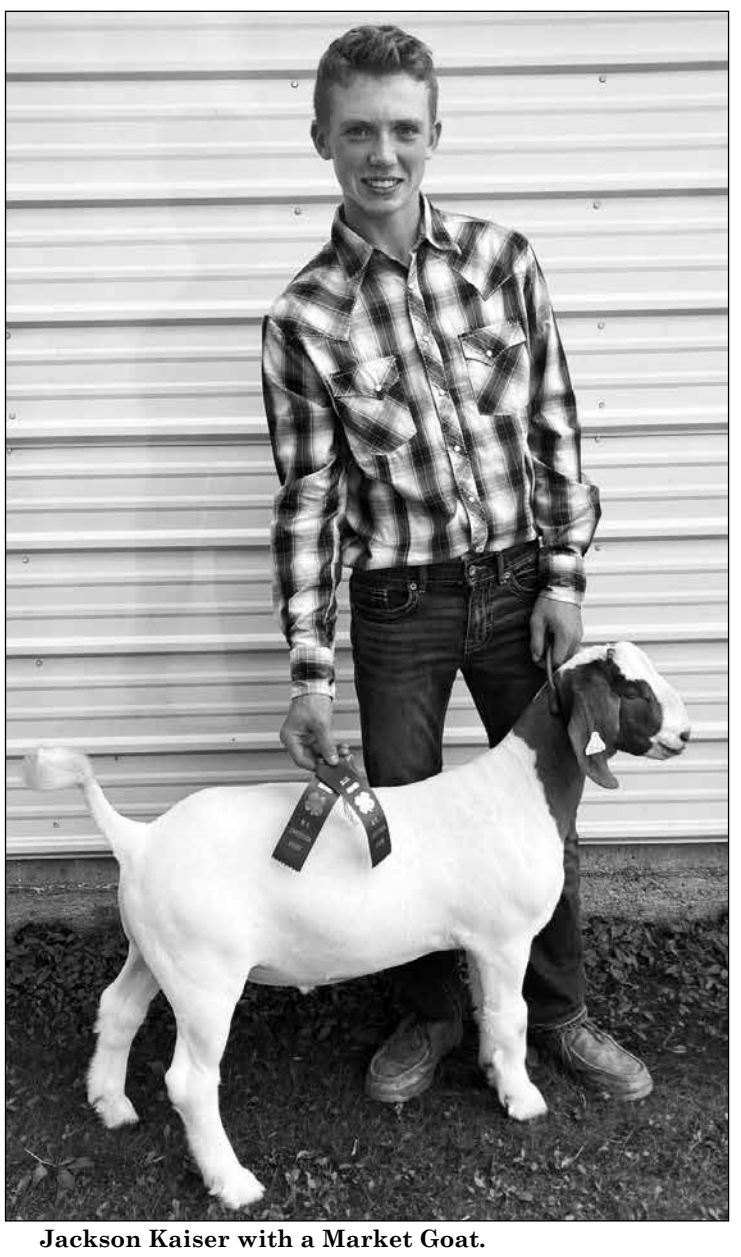

For more information about 4-H and showing livestock, please contact the Clearwater County Extension Office at 218-694-6151 or email mnext-clearwater@umn.edu.

Joke Time ...

Leana was in the bathtub when the door bell rang. "Who is it?" she called out. "Blind man," came the answer from the front door. Lean got out of the tub, walked straight to the front door without so much as a stitch of clothes, and threw open the door. There stood a man who asked Where do you want me to put these blinds, lady?"

From my mail...

Received a renewal from Lorrette Strack from Rochester. She loves reading the news each week. She said we do an excellent job and hope we can keep going.

We collect used eye glasses in the Leader-Record office in Gonvick and at the Clearbrook-Leonard Senior Center. We do this for the Gonvick Lions Club and they are put to very good use.

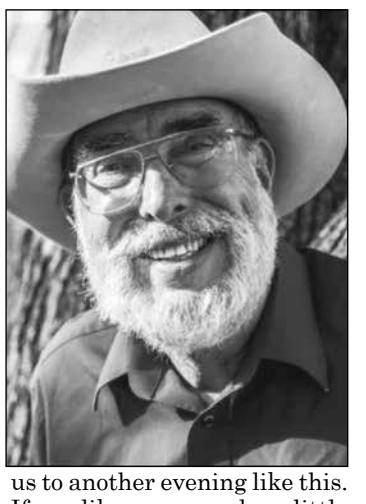

Does anyone need old newspapers for their bird cages, their new puppies or for the garden center? We are getting ready to put some in the garbage bins for pick up. It would make the load lighter if we got rid of some of them before that point.

Home Country

By Slim Randles

There's something to be said for the brightness of day, of course, when the energies of the world improve our lot in life. But for a special time, give me the night. Give me the soft, velvety quiet of a country evening and its own sounds and flavors and scents.

It's good to hear the night shift take over the part of our world we call home. The coyote yaps off in the brush, calling his family to the hunt, the quail have a soft cluck and rustle down by the creek. The crickets set up the background music for all this in a spooky kind of harmony.

It's a resting time for most, but for those who will postpone sleep, there is the secret of another world, where we slow down a little and take a bit more time with our lives. This is a time when we can hear the world heal a little before it goes back into daily battle again. A time when we can smile and sit and just say thanks for bringing us to another evening like this. If we like, we can do a little mental planning for the next day. Or not.

A country evening is what we get for being good all day.
