Remembering Veterans

On Thursday, November 11, 2022, the United States will celebrate Veteran's Day.

This holiday is dedicated to all Veterans that have honorably served in the United States military, both in wartime and peacetime. In fact, Veterans Day is largely intended to thank the living veterans for their service; to acknowledge that their contribution to our national security is appreciated, and to recognize the fact that all those who served, not only those who have died, have sacrificed and done their duty to keep America free.

The Clearwater County Veterans Memorial, located in Bagley, MN, is not only dedicated to the Clearwater County Veterans that have died in the service to their country, but also honor those Veterans that have served, and are presently serving the United States. The Veterans that died in service to their country during wartime are honored on the Memorial's black marble monuments. The Veterans that have served and are serving the United States are honored with the etched field stones that have been placed at the Memorial. Presently, approximately 940 Veterans are honored with the etched field stones.

On Saturday, September 3, 2022, there was a motorcycle ride, the "RIDE FOR STONES"; that also honors the Veterans of Clearwater County. This motorcycle ride was originated by, and continues to be promoted by, both Jeff Schermerhorn, Bagley, MN; a Vietnam Era Veteran, and Neal Illies, a Bagley resident. The 2022 ride raised approximately \$10,451 in donations. These donations were donated to the Clearwater County Veterans Memorial to provide 54 etched field stones honoring Clearwater County Veterans.

The Clearwater County Veterans Memorial randomly selected 54 names from the combined list of Veteran's names that are read at Memorial Day Ceremonies at Rice Lake, Bagley, Clearbrook and Gonvick (this list is comprised of the names of approximately 1958 deceased Veterans from the Civil War to the present).

Historical Society Fall Fundraiser, Volunteers and Goodies needed!

The Clearwater County Historical Society will hold it's annual Fall Bake & Used Book and Craft Sale on Saturday Nov. 19 at 9 a.m. at the Bagley American Legion.

For over 30 years the Society has held a Fall Bake Sale on the Saturday before Thanksgiving and it's the largest fundraiser for the society. There will be baked goodies, and used books, crafts from Sue Anderson and Roxane Waggoner and wreaths by Doreen Norgaard, so there will be something for everyone. In keeping with tradition, a delicious lunch (Klub! or ham &

scalloped potatoes) will be served beginning at 11:00. The sale will continue until everything is gone or 1:00, whichever comes first!

Anyone wishing to donate baked items, or gently used books for the sale is encouraged to bring items to the museum before the sale. The museum is open Tuesday - Friday from 10-4:00. Items can also be brought to the Legion after 8 am on the day of the sale.

Volunteers are also needed to help with the sale or with serving lunch.

The Historical Society operates a year 'round museum and historic preservation program for the entire county. Funds raised at this bake sale will help with operation costs like heat for the winter, and to maintain the museum collection and continue saving the past for the future.

Machlitt Runs at State Cross Country Meet

Amelia Machlitt became the first ever female from Clearbrook-Gonvick High School to compete at the State Cross Country Meet this past Saturday, November 5. The race was held at the college campus of St. Olaf in Northfield, MN. It was a cold and overcast day with a slight rain which made for cold running conditions.

Amelia did very well in her first state meet placing 63rd out of 158 runners in the Class A division. This race had the top runners from the entire state of Minnesota competing at the same meet. Her time of 20:32 was an excellent effort as it was only 10 seconds off her personal best time set just the week before at the Section 8A meet, (which is also the current school record for 3 miles). The course at St. Olaf was easily the most difficult course we had run on all year. Her time was very impressive as the college course was full of hills and turns which made for a very demanding course to run fast on. Her coach Joanne Lavin said that Amelia worked very hard all season and was rewarded with an excellent showing at the Section and

State Meet. Congratulations to Amelia on her very successful freshman year.

Veteran Suicide Prevention
11/3/2022

We all know and under-
stand Veteran suicide is a real
issue, but do people under-
stand just how extensive the
issue is? A recent VA study
shows that Veterans are twice
as likely to commit suicide as
compared to civilians. In 2020
alone 6,146 Veterans commit-
ted suicide with a little over
100 being from Minnesota.
Minnesota's suicide rate is
roughly the same amongst
Veterans as compared to the
national level. This issue is
a serious issue for all levels of
government from local all the
way up to the federal govern-

ment.

This is why the Minnesota
Department of Veteran Affairs
(MDVA) has made suicide pre-
vent a top priority. One way
they are trying to combat Vet-
eran suicide is by understand-
ing why Veterans do it. They
believe knowledge is power and
that the more they know, maybe
the better they will be prepared
in the future. MDVA is asking
for the public's help.

MDVA would like to person-
ally talk to friends and families
who have lost a Veteran. They
believe "that the more infor-
mation will help us end Veteran
suicide in Minnesota". If this is
of interest to you or know some-
one who it would, please email
SuicidePrevention.MDVA@

From my mail...

Received a note from Roger and Gladys Edvenson with their subscription update. They said,

"we wanted to say thank you for the great job you do on the Leaer-Record. We look forward to it every week. To see what goes on at our home towns. Greetings from Grand Rapids.!"

We collect used eye glasses in the Leader-Record office in Gonvick and at the Clearbrook-Leonard Senior Center. We do this for the Gonvick Lions Club and they are put to very good use.

Does anyone need old newspapers for their bird cages, their new puppies or for the garden center? We are getting ready to put some in the garbage bins for pick up. It would make the load lighter if we got rid of some of them before that point.

Obituaries in the Canary are also put on our website for you to see. Go online at tricocanary.com. They are free and updated as they come into our office.

Last week, the Clearwater County Sheriff's Office partnered with the Minnesota State Patrol to conduct an extra enforcement shift focusing on speed on US Hwy 2 in an effort to make our roads safer. The focus of this shift was not to issue citations to everyone stopped, but educate them through warnings. There are many other roads where we receive complaints on people speeding and we do everything we can to conduct extra patrols in those areas as well. We want to thank the public for obeying the speed law and helping us make the roads safer

Home Country

You get them flu shots ever’ fall? I try not to, but Doc has this year nurse that’s not only stouter’n a streetsweeper, but fleet of foot as well. This year’s Windy, a-course. So, yeah, I prit-nearly allus get one a-them shots each fall.

But I been workin’ on a way to either speed me up or slow her down. Ever seen on them summer Olympicals the relay race? You know, when one guy’s runnin’ and he sticks out a stick and the next guy takes it for a while? Thass what that there nurse looks like in hot pursuit ‘cept it’s a hypothermic needle and not a stick in her hand. Now you know ol’ Doc makes fun a-me ever’ dang time she catches up. A-course, she could stand to run off a few calories here and there, mostly there. Truth be told, wouldn’t hurt me none, neither.

When Doc stops laughin’ he usually says, “Windy, I don’t think you’re any faster’n you was last year.”

“Nope,” I admitted, “but I think she is.”

Oh, I tried to talk Doc out of it. Honest. I told him I been particier good this last year and took my vitermins and minerales and drank my fruity juice and all that stuff. See, I figgered if he got impressed enough with my diet, I might could slip away from Vampiria for one year.

But it seems like somethin’

always happens to that there plan a-mine.

For example, Doc looked at me while Nurse Sprint was in the corner, sharpenin’ her needle and lookin’ funny at my fanny.

“So Windy,” Doc said, “you been drinkin’ your fruit juices.”

“Yessir!” I replied.

“Let me guess ... was this juice mixed up with gin or vodka?”

“Well”

Doc nodded to the nurse. I didn’t even make it as far as the restroom door.
